The Infallible Remedy. Holloway's Ointment.

Holloway's Ointment. Contracted or Stiff Joints. All the medicines in the London dispensaries would barely benefit, much less cure, any chronic cases of contracted or stiff joints; whereas if this invaluable ointment be effectually rubbed into such parts twice a day, the effects will be immense.

THE PROMPTITUDE AND LIBERALITY with which its engagements are always met by this Company are well known, and the importance of its relation with the public may be estimated from the fact that, since its establishment it has paid more than EIGHT MILLIONS STERLING in discharge of claims for losses by fire.
