Indians in Trouble Because of Fire-Water-Dr. Jones' Vaccinating Receptions.

Chinaman Sentenced for Abduction Mr. Parkin at Vancouver-Fresh Air By-Law.

(Special to the COLONIST.)

VANCOUVER. VANCOUVER, Noy. 11,-Messrs. E. G. Stuart and Fred Nation, both of Brandon Manitoba, arrived here yesterday on a globe trotting trip. They hold the first two tickets ever sold in Manitoba for a trip around the world. They calculate \$2,500 each as expenses, but the tickets for actual

passage cost \$1,225.

J. W. Mackay, Indian agent at Yale, left J. W. Mackay, Indian agent at Yale, left here for Victoria yesterday. Mr. Mackay is as energetic and hearty, say the old-timers, as in the trading post days. Of the encyclopædia of information Mr. Mackay gave of the country up that way was: That vines grow in profuse abundance and bear luscious fruit at Thompson River. Major Vaughn is developing Kamloops' coal industry rapidly, until it has become the vertebra of that growing town. The Glen iron miners have lately been increasing the size of their contracts with Tacoma and Oswego, Oregon. In fact there is a healthy, vigorous growth all through there.

Oswego, Oregon. In fact there is a healthy, vigorous growth all through there.
G. R. Parkins spoke to an immense audience at Market Hall last evening. In the language of a popular Vancouver divine, "He is the only man who has spoken on the question of Imperial Federation that knows anything about it." Mr. Parkins made many converts.

knows anything about it. Mr. Parkins made many converts.

Among the proposed ordinances is the fresh air by-law, which has lain over since February, providing that every household shall have a minimum of three hundred cubic feet of air to each inhabitant. It will be introduced by Ald Franklin.

ALBERNI.

ALBERNI, Nov. 8.—Another sad death has occurred in our midst. Mrs. Frank Sterling died suddenly on Tuesday, and was followed to the grave on Thursday by a Reco group.

E. E. Coy has bonded the Big Bertha, an esstern extension of the Dardanelles, for \$45,000. On this claim they have struck the Dardanelles lead 1,000 feet lower than the working shaft on the latter claim.

The last consignment of the carload of Dardanelles ore reached Kaslo on Thursday. Mr. Coy will take it to Tacoms, and expects to considerably astonish mining men with the amount it will net him. It is wonderfully clean ore, and averages considerably over 500 oz. of silver to the ton.

Patsic Clark it is currently reported will soon make a deal with the owners of the Sestern extension of the Dardanelles, for \$45,000. On this claim they have struck the dormant railroad stocks, and prices are generally kept steady; but there is a feel-by the Dardanelles, for \$45,000. On this claim they have struck the Dardanelles, for \$45,000. On this claim they have struck the Dardanelles ead 1,000 feet lower than the working shaft on the latter claim.

The last consignment of the carload of Dardanelles ore reached Kaslo on Thursday the now neglected stocks may also suffer. It is doubtful, however, whether this view takes sufficient account of the elements of unusual strength underlying the railroad list. Holders of railroad stocks are generally kept steady; but there is a feet lower than the working shaft on the latter claim.

The last consignment of the carload of Dardanelles ore reached Kaslo on Thursday the now neglected stocks may also suffer. It is doubtful, however, whether this view takes sufficient account of the elements of unusual strength underlying the railroad list. Holders or railroad stocks are

Messrs. Baker and Leeson have established themselves in the wholesale business in Water street.
