INDIGESTION
 Dyspepsia Means Slow Starvation.

By the testimony of actual cures—by the words of those who have proved the merit of Dr. Hamilton's Pills, you can satisfy yourself that indigestion and dyspepsia are curable.

Four years ago I got into a condition of low health—suffered all possible torture with acute indigestion, wind on the stomach, and dizzy head-aches. The very smell of food often was sufficient to make me violently ill. Energy was gradually falling away. I no longer had any desire for work or for the company of other people, and was in the depths of despair. Worse matters—my brain and body could not rest, and I lived in a constant state of nervousness. I was in poor hope of getting relief when I started on Dr. Hamilton's Pills. In a month I noticed a slight improvement, and kept right on using one pill every second night. In a month I was another man, looked ruddy, strong, hearty, and I felt as if I had been miraculously restored to health.

Could Not Sleep In The Dark.
 Doctor Said Heart and Nerves Were Responsible.

There is many a man and woman tossing restlessly upon a sleepless bed. Their eyes do not close in the sweet and soothing repose that comes to those whose heart and nerves are right. Some constitutional disturbance, worry or disease has so debilitated and irritated the nervous system, that it cannot be trusted.

Mr. Calvin Stark, Roseton, Ont., writes: "About two years ago I began to be troubled with a soothing sensation at night, when I would lie down, I got so that I could not sleep in the dark, and could have to sit up and rub my eyes. They would become so numb, that I could not see my feet when I was in bed. I saw Miller's Heart and Nerve Pills advertised and got a box to try them. I took three boxes and can now sleep in a dark room without the light of a candle and can rest well. I can recommend them highly to all nervous and run-down people."

GRAND GREVE

There is quite a whale-boat on the coast of Gaspe Bay, some two years ago, on the 23rd December, piloted off of Gaspe Harbor, the brigantine "John Rogers" with a cargo of codfish for Brazil, shipped by Messrs. William Frang & Co., Ltd., and the season on the same date she was piloted off the S. S. "Byblos" laden with a cargo of lumber shipped by Gaspe Lumber & Trading Co. This is the latest date on record for sailings out of Gaspe Harbor, and Capt. Taylor of the S. S. "Byblos" stated to-day that steamers could come to Gaspe even in January.

RATHER STALE BREAD.

"What a loaf of bread over 1,500 years old? Nonsense!" Well, my friends, there is no nonsense about it. You can see several of them in the Royal National Museum, at Naples, baked black like carbon, or charcoal. They were found in the ruins of Pompeii, a city that was buried by an eruption of hot, fiery ashes from Mount Vesuvius in the year 79. No one could eat this bread, although carbon is the element in our food that promotes heat in the body.

When indigestion prevails, your food does not nourish you and you have headaches, poor blood, constipation, dizziness, and other ills. Mother Seigel's Syrup, the sure herbal remedy cures all these ills. Mr. Burton Shortliffe, Central Grove, Digby Co., N.S., writes:—"I was troubled with indigestion for a long time and found no medicine to give such immediate relief as Mother Seigel's Syrup. For indigestion and all Stomach Troubles it is a grand remedy."
