

FOR 25 YEARS HE SUFFERED

Well Known Merchant Of Sarnia Cured by "Fruit-a-tives"

SARNIA, ONT., Feb. 5th, 1910.
"I have been a sufferer for the past 25 years with Constipation, Indigestion and Catarrh of the Stomach. I tried many remedies and many doctors but derived no benefit whatever."

Finally I read an advertisement of "Fruit-a-tives". I decided to give "Fruit-a-tives" a trial and found they did exactly what was claimed for them.

I have now taken "Fruit-a-tives" for some months and find that they are the only remedy that does me good. I have recommended "Fruit-a-tives" to a great many of my friends and I cannot praise these fruit tablets too highly!"

Thousands now use "Fruit-a-tives". Thousands more will try "Fruit-a-tives" after reading the above letter. It proves, beyond the shadow of a doubt, that at last there is a cure for Constipation and Stomach Troubles.

"Fruit-a-tives" is Nature's cure for these diseases, being made of fruit juices and valuable tonics.

VETO BILL PASSES SECOND READING

British Government Still Able to Muster Majority of 121 or More.

London, March 2.—Four days of debate given to a measure involving a great constitutional reform came to a conclusion tonight, when the second reading of the veto bill was passed by a majority of 125, the vote being 368 to 243. Prior to this the house divided on Austen Chamberlain's amendment with a majority of 121 against it. The figures on the veto bill were greeted with prolonged cheers, after which the bill on the premier's motion was sent to the committee of the whole house.
