SAINT JOHN, NEW BRUNSWICK, SATURDAY, MARCH 30, 1861.

"THE COLONIAL EMPIRE," A Political and Commercial WEEKLY SEMI-WEEKLY, & TRI-WEEKLY

NEWSPAPER. To be published in the City of Saint John, N. B. Commencing January 21st, 1861.

MONG the leading objects of Advocacy contemplated by this Journal, are
UNION OF THE COLONIES,—Involving Inter-Colonial Free Trade, a Uniform Taglif, Currency,

RAILWAY EXTENSIONS;—Inter-Colonial, and con-nection with the United States.

EDUCATION,—A Liberal and comprehensive system of Education adapted to the wants of the REFORM in our Commercial Institutions and Re-AGRICULTURAL, Mechanical, and Manufacturing

Progress.

Development of our Mines, Minerals, and Fish-

This Journal will be INDEPENDENT in the expression of its opinions, on Polical as well as on all other questions and while advocating enlarged and comprehensive views of Public measures, will ignore all Sectional, Sectarian and Political partizanship. British North America is possessed of vast resources, has Geographical and Physical advantages which are unparalleled, and Political and Social immunities of which no other country can boast. Our own Province is in all these respects highly favored, and we need but a yigorous and enlightened public policy to effect a most progressive development. To continue in a course of narrow selfish partizanship, with no higher aim than the pretty aggrandizement or pecuniary gain of unprincipled politicians, must soon make shipwreck of all our best interests, if indeed it be possible to escape from the impending bankruptcy and ruin which already stare us in the face. But we believe there is wisdom, courage, virtue—patriotism enough in our dom, courage, virtue—patriotism enough in our country to save it; and while it will be our vocation to sound the toesin, and arouse the people to a sense of the dangers to which we have referred, we will all so afford a rallying point for the good and wise all parties and creeds, who desire the overthrow

as system of corruption and extravagance, and the establishment of sound Liberal and Progressive Political and Commercial principles.

With full faith in these convictions and sentiments—and believing that the heart of the country will respond to them—we run up our flag and nail it to the mast head, writing upon its ample folds our motto— "Union, Reform, Progress."

OUR WEEKLY Is intended to be a First Class Commercial Paper. It will contain not only the latest Shipping and Market Reports from all parts of own and Sister Provinces, but also what relates to ourselves at British and Foreign Ports. Our own Markets and Commercial transactions will receive the most full and careful attention.

THE TRI-WEEKLY devoted more particularly to City matters

and General News. THE SEMI-WEEKLY Will be made up expressly for Country circulation, and will contain everything that may be of interest or importance to our readers; and we trust this effort to supply our friends with the latest intelligence which our mailt arrangements can convey to them, will be duly appreciated.

ADDRESSED TO A LADY. Sunset—'low beautiful!

The clouds that fringe the sky
How glorious! and the sun
Who lingers yet their maze among—
How loth he seems to die!

Unfurling all his state, His red rays flinging wide, He seems to seize the airy cloud, To make its tinted folds a shrond, To clothe his dying pride!

Can see his form no mere,
We gaze in shent, rapt entrance,
Till twilight's hour, with dusk advance,

What calm screnity,
O'er hill and glen doth rest;
As evining with her mystic train,
Comes slowly o'er the em'rald plain,
To hide the glowing west!

Be thine, fair lady, peace
As holy and serenc,
As that which marks the dying sun,
When, day by day, his journey done,
He sinks with smiling mien!
