TUESDAY MORNING, MARCH 6, 1883

CLERICAL PINANCIERING Financiering on the large scale by clergy

or final reading it was thus amended. And men does not appear to be a success, genen, under the operation of the previou erally speaking. Roman catholic clergydestion, it was put through. Of the sev men have by some been credited with a good nty-one members that voted for it, only ten deal of worldly wisdom, more than the facts were republicans. Each party was thus true warrant, we should say. The gigantic to its record," So far the temperance legislosses incurred under the financial managelation appears to be making far more head ment of Archbishop Parcell and Father way in the western than in the eastern Purcell, of Cincinnati, and brought to light about four years ago, are now paralleled by If Outario gets the reputation of a lottery what we hear from Lawrence, a large cotton manufacturing town in Massachusetts. The

ostering state, it will next be in order for story told is that Rev. Father O'Donnell, her to assume the role of a debt-repudiating rovince. All the debt-repudiating states one of the first priests in the city, began thirty years ago the practice of receiving cross the line are given over to lotteries and card gambling. the savings of his parishioners, on which he paid from 4 to 6 per cent interest. He died

A contemporary thinks the newspapers in 1861, and a debt of \$150,000 is said to re principally to blame for the notoriety have existed then. But his successors zealattained by the weather prophets and almanously pushed ahead the various enterprises ac makers who speculate upon popular credulity. Our contemporary is undoubtju which he had engaged. In 1870 the Angustinian society was formally incorporated diy right. All the humbugs who have to hold property for religious and educational ecently reaped such rich harvests in Ameripurposes -a direct continuance of the ca would have gone away as empty as they work begun by Father O'Donnell in his came, had it not been for the gratuitous savings bank, which has all the time steadadvertising given them in the search for ily received deposits. An extravagant exomething sensational. penditure of money in churches, schools,

parsonages and the improvement of church The Celleville Outario is undoubtedly an says "we have failed to carry some seate property was entered upon. With a preable paper, but the source of its ability by exceedingly narrow majorities." It vious debt of \$150,000 the society incurred would be more appreciated if it occasionally liabilities to the amount of \$200,000 in the gave credit where credit is due. For inconstruction of St. Mary's church, and a stance, in its Saturday's issue it honors us debt of \$40,000 was added by the uniting by taking holus bolus from our columns two articles, one entitled "the first of opposition 25, giving Mr. Mowat a majority of two more parishes to that of St. Mary's. And it is stated that since 1853 March," and the other "new postal cars on of 38. We thought Mr. Mowat never had St. Mary's savings bank has paid in interthe Grand Trunk railway," but it dishonors that majority by ten, but seeing that the est upon its indebtedness the sum of \$260,- itself by not saying whence it stole them. Gazette takes so much interest in our affairs 000, while the parochial schools of the so-Mr. Aaron Kratz, who is referred to as sleigh-maker at Plumsteadville. in Pennsylvanis, last fall read Vennor's prophecies of heavy snows during the winter. He had such faith in them that he got up no less than 300 sleighs, every one of which he sold, owing to the brisk demand In witness whereof he has sent Mr. Vennor dan and Frank Byrne be extradited. While

dominion the Gazette might make its figures np by reckoning the conservative "gains" on the basis of last year's federal elections. The principal question just now engaging international attention is will P. J. Sheri-

able to come up to her wharves. We think this latter is likely of fulfilment. What with the development of railway monopoly the state of New York is reversing much of the temperance legislation of recent years. and the financial success of more canals The Tribune says that "a bill has just that have been built, it does not seem imbeen rushed through the assembly, under probable that Mr. Capreol's great project to the stimulus of the democratic whip and connect Lake Huron and Lake Ontario will spur, which has caused the proprietor of vet be realized. very 'sample-room' from Buffalo to Long New York's circle of pugs-we don' Island to hug himself for joy. This bill, to

nean dogs, but men-will be recruited in a mote a leading democratic newspaper' lescription of it, 'clothes the board of excise few weeks by the arrival of one William Madden and his protege, one Charles with an absolute discretion as to the num Mitchell, of Birmingham, The New York ber of places which shall be licensed, and authorities take steps to return emigrants by making licenses personal and transof the vagabond and decrepid classes who terable does away with one important existing check upon abuses of the are turned out by the European governments as pests. Pugilists do not cross the license system.' As originally introduced

water to make an honest living and help the measure applied only to New York and in the development of the country, but to Brooklyn. But the liquor dealers of the set the laws in defiance or to gather in all state, knowing the men with whom they the shekels they can and then to return had to deal, knowing, in other words, that whence they came. It seems to us the the dissemination of rum might almost be said to be one of the sacred principles of the democracy, demanded that it should be Castle Garden authorities would be equally

as well advised in sending these people back as in returning useless paupers. amended so that its provisions should apply to all the cities of the state. The inevitable

The Sherbrooke Gazette says : "The insequence was that when the bill came up atest news from Quebec is to the effect that Father Labell's precious littl + lottery excursion bill has passed the private bills committee and will undoubted pass the house. Of course. What has the legislature got to do but to obey the mandate of the power. of which the founder of the bill is a member ? Well, let us not hear anything more against the moral practice of lotteries, since church which rules this province' endorses it." Our contemporary must not despair. If

the Quebec majority is so lost to all sense of what is right that it wiifally endorses an illegal speculation, we trust that the authorities at Ottawa will not be so abandoned as to withhold their veto. A church lottery is at once the most pernicious and insidiou of all forms of gambling,

The Montreal Gazette evidently looks upon the local affairs of this province as the concern of the whole dominion. So far as Ontario is a component part of the country the whole country is interested in our welfare. but it has nothing to do with our legislature. The Gazette says "we have edeemed" a certain number of constituen cies and "our losses" are so and so. It also might have added "we have failed to lose some seats by some very narrow majorities. The Gazette further states that in the last house the numbers were ministerialists 63,

ciety have cost \$10,000 a year for the last ten years. Finally the depositors in the bank, many of whom with implicit trust fad not even drawn their interest felt their confidence shaken and began to demand an accounting. There were practically no accounts. There were no signs of systematic book-keeping, entries were undated present of a handsome sleigh. And Venvouchers were lacking, and the papers of nor has the check to say that, having got the seciety were in utter confusion. By the sleigh, now he wants a horse. Wonde auction sales and mortgages the society if he expects somebody to give him one ? raised a little money, but it was too late. The attachments placed upon the property The conservatives having been beaten at of the society on Friday were rapidly folthe polls last week, now pin their hopes lowed by others on Saturday and yesterday, on the bye-elections. We may be sure until the society's insolvency appears more that in any constituencies that may be hopeless than was at first supposed. Its opened, the contests will be fought for all indebtedness is stated to amount to \$540, they are worth. Ose side will feel they 000, a larger sum than the liabilities of are fighting with desperation to hold their Archbishop Purcell, and the 700 depositors waning power, and the other side with that in the closed savings bank connected with courage prompted by the knowledge that the society are chiefly mill operatives, and but a little more effort is required to give in many cases women whose life-long save them the citadel. Neither side will need ings have been swept away. It does seem any prompting from their leaders to urge as if the clergy had better leave matters them to do their best. financial to business men.

A TARIFF BILL PASSED On Saturday night the assembled wisdom England, has undertaken a herculeau task

of the United States succeeded in passing a in which, notwithstanding the useful mistariff bill after a very hard struggle kept alon signified by their name, all the liberal up until the eleventh hour. A little after world, at least, will hope they will, fail. 2 o'clock on Sunday morning the enrolment They propose to get up cases against Huxof the bill was finished, and it was promptly ley and Tyndall, Herbert Spencer, the pubsigned by the president, who was in waitlishers of John Stnart Mill's works, John ing for the purpose. Morley and others, who "by their write

As we have before explained in these ings have sown widespread unbelief, and in columns, there were three separate tariff some cases rank atheism." If the efforts of measures up for consideration. First there the society succeed, then good-bye to all was the draft prepared by the late tariff scientific thought in England. commission, which, however, did not come

before congress in the form of a bill. Next The smoke has now about cleared off there was the senate bill, which put the from the battle-field of the recent elections, duties on many articles a good deal lower and we are able to? view the results duties on many articles a good deal lower than the commission had recommended; and the house bill, which placed some duties higher. Last week a conference con-muttee of both houses met, and the result was the adoption, late on Friday night, of the senate bill changed in many of its most islation. We shall now probably hear less important clauses, so as to come very near of centralization and of fancy franchises. to what the commission had recommended. We are satisfied, from surveying the list of It puts desorated earthenware at 60 per successful candidates, that there will be cent instead of 50, as in the senate bill. In sufficient ind pendent men in the new the metal schedule thirty changes of more house to wisely hold the balance of power or less importance are made. In compari- and to prevent the perpetration of any unson with the senate bill iron ore has been seemly legislation.

advanced from 50 to 75 cents per ton; pig The Princess of Wales has taken the iron from \$6.50 to \$6.72; steel rails from \$15.62 to \$17. Bars, proved of pigeon shooting. The denial and metal list have been changed to corre- comes very late in the day and most people spond with the metal schedule of the house will think it would have been better if it about that she could not put on a spond with the metal schedule of the house bill. In sugar the orly change is on one specific grade—thirteen to sixteen Dutch standard, which is advanced from \$2.50 to \$2.75 cents per 100 pounds. In cottoms and woollens there are some reductions from the old dutic, but not of much ac-count. Some excise or internal revenue taxes are wholly abolished, and consider-able reductions, to take effect on May I, are words in the sign and tobacco dutics. total reduction of revenue to the amount of less conscientious, seventy-five millions is expected ; about The Morning Post of Londor, England,

the latter has been under arrest for some days in France, the former still peacefully rsues the even tenor of his ways in the office of the Irish World at New York. The general opinion appears to be that no action will be taken against Sheridan and that the formal demand for his extradition was never intended to be pushed, but that it was merely made to keep him in America -10 warn him that if he set foot on Irish soil he would immediately be put under lock and key. The British ambassador at Washington, by his own acknowledgment,

is as ignorant as to whether any further proceedings will be taken as the rest of us, If, as has been said, the English government have only made the demand as a warn. ng, it has taken a very unwise course. A demand for the extradition of a person for the gravest kind of crime known to modern law is an extremely serious matter-far too serious to be made so lightly. Our own opinion is that further steps will be taken,

but not until documents containing sufficient information to warrant almost absolute success have reached the British embassy. In fact, we think Minister West is simply waiting for the mails.
