Miss M. C. Haslett (by permission), 77 Huron street, was a very great sufferer from dyspepsia, could not bear anything on her stomach, and the pain was as bad when empty, infiamed with catarrhal ulceration, liver inactive, stools white, urine red from kidneys trying to do the work of the liver. She writes: "Dr. Lemon saved my life. I was a perfect wreck, dying by inches, Could not sleep or eat."

Jno. B. Partridge of Massey, County Grey, stiff knees from rheumatism, very painful, could not work, crooked, contracted, went home rejoicing, walking freely without pain, limbs straight in a week.

On no account does Dr. Lemon ever put his patients to sleep in his office, neither does he ask embarrassing questions, or make delicate examinations. 36 years' experience render both unnecessary—requires bonnet or hat, overcoat or cloak to be removed, places his hands on the head, implores the blessing of God and then makes the Magnette passes. This is done once or twice weekly to each until cured.
