DEATH OF ROBERT A. CARDER

Pioneer in the Nova Scotia-New England Steamship Business

Many persons throughout the Maritime Provinces will learn with sorrow of the death in Malden, Mass., December 4th, of Mr. Robert A. Carder, one of the pioneers in the Nova Scotia-New England steamship business.

Mr. Carder, who was ill but a short time, was in his eighty-first year. He was born in Caledonia, Queens County, N. S., in August, 1841, and his first connection with the steamship business, in which he was destined to play an active part covering a long period, was in the employ of Captain N. K. Clements, of Yarmouth, N. S., one of the earliest of the steamship owners of the Province.

Mr. Carder for a time served first as steward and later as purser on several of the old-time steamships plying between western Nova Scotia ports and Boston, including the "Dominion," "New Brunswick," "New York" and "Cleopatra." Later he was promoted to be agent of the Nova Scotia Steamship Company in Yarmouth. At that place he made many warm friends, as was his custom wherever he was stationed. He was of an exceedingly genial and friendly nature, a characteristic that marked him to the end of his life.

About thirty-seven years ago he was transferred to Annapolis Royal as agent of the Nova Scotia Steamship Company there. Some years later, when the Dominion Atlantic Railway took over the Yarmouth line, Mr. Carder became travelling passenger agent for the line, retaining that position for several years and annually covering a large amount of territory.

He retired from active business about fifteen or sixteen years ago, settling up his residence with Mrs. Carder in Malden, Mass., but never for a moment lost his out-time interest in transportation matters or in

the welfare of his native province. He was always a consistent promoter of Nova Scotia as a summer vacation country and did much to foster its interests in that connection.

He was also broadly Canadian in his sympathies, and until stricken with his last illness manifested much interest in the pending Canadian election campaign.

Mr. Carder is survived by his wife, who was Miss Irene Harlow, of Harmony, N. S., also by a daughter, Mrs. W. H. Goss, of West Somerville, Mass., and three sons, J. Smith Carder, of West Medford, Mass., New England Passenger Agent of the Dominion Atlantic Railway; M. Alder Carder, of Honduras, Central America, and Pearl L. Carder, of Jamaica, West Indies. He also leaves eight grandchildren and one great grandchild, John Carder, son of Nat S. Carder, of West Newton, Mass.

The funeral services were held from the residence of his daughter, Mrs. W. H. Goss, 88 Powder-House Boulevard, West Somerville, Mass., on Tuesday, December 6th, at 2 o'clock p.m. There was a large attendance of relatives and friends and many beautiful floral tributes were sent.

The officiating clergyman was Rev. George E. Heath, pastor of the Park Avenue Methodist Church, West Somerville. Mr. Carder, during his residence in Nova Scotia, having been an active adherent of the Methodist denomination. Miss Brookings was soloist. The burial was in Forest Dale cemetery, Malden, Mass.

HAD LIVED 100 YEARS

Mrs. Sarah Ann (Jones) Burns, Of Newton Highlands And Formerly of Nova Scotia

(Boston Transcript) Mrs. Sarah Ann Burns, probably the oldest woman in Newton, died on Sunday morning, December 6th, following a ten days' illness at the residence of her son, Arthur S. Burns, with whom she made her home at 10 Circuit St., in Newton Highlands. She was born in Annapolis, Nova Scotia, on October 6th, 1821, the daughter of William Jones, who was well known in New York as a Loyalist. He left New York to settle in Annapolis. His wife was Sarah Pickup. Mrs. Burns was the wife of Michael Burns, whose father was also a New York Loyalist, who made his home in Annapolis, and she lived there until his death at the age of eighty-six years, which occurred about twelve years ago. She then came to Massachusetts, and for the past three years has been a resident of Newton.

Mrs. Burns was a devout Methodist, though for the past eight months she has not attended church. Always a great reader, she gave up the perusal of newspapers about a year ago and devoted her attention to the Bible and to Methodist publications. She was exceptionally capable with her needle and up to recently did all sorts of fine sewing. In addition to the son with whom she lived, she has another son, Edward S. Burns, of Sednau, who is superintendent of the New Riding Club in Boston. Although Mrs. Burns reached the age of one hundred years about two months ago, there was no special observance, by her own request, of her centennial anniversary.

STEEL WORKS FILMED

Big Scene Of "The Great Day" Photographed in Scotland.

One of the principal scenes of "The Great Day," the British-made Paramount picture which will be shown at the Frimrose Theatre next Monday and Tuesday was filmed in the famous Parkhead steel works of William Beardmore & Co., Ltd., near Glasgow, Scotland.

Every facility was given Director Hugh Ford for "shooting" under the best possible conditions. The Kleigs and spotlights taken up north for the purpose were fed by "juice" supplied by the works. For several hours the firm's premises, material and workmen were placed at the disposal of Mr. Ford and those with him. The glowing stream of molten metal was poured white hot from the "ladles" of 80 ton capacity. The cameramen were suitably disposed for taking successful shots. The result is that the film of "The Great Day" represents realistically the impressive environment in which some of the most exciting scenes of the drama are enacted.

MEIGHEN'S GOVERNMENT DEFEATED

Liberals Make Clean Sweep in Nova Scotia, P. E. I. and Quebec

The election on Tuesday, December 6th, resulted in an overwhelming defeat for the Government, the extent of their defeat being a surprise to every one. Nova Scotia, Prince Edward Island and Quebec went solidly for the Liberals, while in the three prairie provinces the Progressives won nearly all the seats. In Ontario the three parties broke almost even with the Conservatives leading. British Columbia gave a Conservative majority, while New Brunswick broke even. Premier Meighen was himself defeated and only five of his cabinet ministers survived the fight. Hon. F. B. McCurdy, and Hon. E. K. Spinney, Nova Scotia's cabinet representatives, were both defeated. Not a Conservative elected in Nova Scotia, Quebec, Prince Edward Island, Manitoba and Saskatchewan.

"RIDDYGORE" AND "CONSUMED CLASSICS" TO BE PRESENTED HERE BY THE LETTER LIGHT OPERA CO.

The Letter Light Opera Company which is to appear here on the evening of Tuesday, December 20th, at Bridgetown Court House, is a high grade musical organization. The

members are all finished musicians, possess beautiful and well trained voices.

The oratorio and concert selections cover a wide range and are handled with the same artistic finesse that characterizes the work in the operatic numbers. The program includes the most modern of the concert masterpieces as well as the older selections from familiar oratorios. The solo and duet work also covers a wide field in musical literature. The program includes gems from the old favorites as the "Mikado," "Robin Hood," "La Boheme," and "Il Trovatore," and the rest, for you know them all. In all the operas there stands out in the mind's eye some distinctive and lasting picture and some distinctively fascinating melody.

The Letter Company will feature "Riddygore," in which local music lovers will enjoy, perhaps, the greatest of all the Gilbert and Sullivan operas. It is a wonderfully catchy little opera, which gives ample opportunity for a display of vocal ability of the artists in the Letter Light Opera Company.

SEIZURE OF 35 YEARS AGO

Recommendations Novel in History of International Arbitration are Made

Washington, Dec. 9.—A recommendation novel in the history of international arbitration was made today by the United States and British claims tribunal in disposing of the case of the United States fishing schooner David J. Adams, which was seized in the territorial waters of Canada, on May 6th, 1886, and declared forfeited to the British crown, together with its cargo, by a vice-admiralty court at Halifax on a charge of illegal entry into Canadian waters. Although the evidence submitted indicated that the owner of the vessel, Jesse Lewis, of Gloucester, Mass., had lost his ship brought violation of treaty provisions, and was not entitled to an award of the \$8,837.96, which he claimed the tribunal urged upon the British and Canadian government, "an allowance as an act of grace to the said Jesse Lewis," whose means of livelihood had been lost when the ship was seized.

Evidence was adduced to show that the schooner entered Annapolis Basin, N. S., to purchase bait, in contravention of the treaty of 1811 between the United States and Great Britain regarding fishing rights on the Newfoundland banks.

(This vessel was towed into Digby and docked at Turnbull's wharf to which her keel was fastened by chains so that she could not be removed at high water. After a somewhat lengthy investigation she was sold at public auction and purchased by the firm of D. & O. Sproul, wholesale fish dealers. Her name was changed to Annie M. Sproul and she sailed out of Digby many years.—Ed. Monitor).

An Ontario man was fined the other day for shooting ducks before the sunrise. Any man who will leave a comfortable bed before sunrise to shoot ducks ought to be fined.
