

## CANADA'S RESOURCES

With great railroads and canals,  
 And care in legislative halls,  
 A mighty future she will gain,  
 And highest rank she will obtain.

Canada hopes it will be told,  
 That she hath patriots brave and bold,  
 To guide her helm shall be extolled,  
 As loving country more than gold.

---

 NORTH-WEST REBELLION, 1885.

Hail Canada our young fair land,  
 The world's respect it doth command;  
 How quick her sons at war's alarms  
 Sprang to her rescue with their arms.

In Canada the English rose,  
 The shamrock and the thistle grows,  
 United garland they combine  
 Around the maple tree to twine.

They did march a brave gallant host  
 From the far East Atlantic coast,  
 Our Canada so proud and free,  
 Four thousand miles from sea to sea.

Though skilful rebels did entrench,  
 But their deadly fires our boys did quench,  
 And victory it soon was won  
 By our General Middleton.

And Colonel Williams left a name  
 For Canada's temple of fame,  
 A kind and a brave hearted man  
 In hour of danger led the van.
