We are much gratified with the reception our new book is having. The largest choirs in the Dominion are adopting it. The Metropelitan and Broadway Tabernacle, Toronto, St. James' choir, Montreal, and other large choirs have ordered it. One choirleader writes that it is "Conspicuous for richness and harmony," another declared "The harmonice are splendid," a third affirms that "It is just the thing," a fourth opines that "It will be halled with delight," a fifth considers it "A very choice selection of tunes," and a Toronto musician pronounces the tunes as "Chosen with excelent judgment."

#### TO PASTORS.

Pasters will find in this book, in each edition, a copious Index of the Hymns, textual and topical, which is alone worth the price of the book. Over 1,300 texts are referred to, and suitable hymns attached. (The present index in the hymn book has only about 170 texts.) In the topical index about 1,300 topics and sub-topics are to be found, as compared with 450 in the old index.

Whatever may be the subject of discourse, suitable hymns may be selected, by the help of this new index at a moment's warning.

We would most earnestly request all pastors to help the sale of this book by bringing it to the attention of their choirs and congregations.

This year's Journal is larger than any of its predecessors, is printed on better paper, and has a new feature that will commend itself as exceedingly convenient—namely, marginal notes in black type throughout the part devoted to the record of proceedings in the regular sessions of the Conference. In view of these advantages, the slight increase in cost over the Journal of 1890 should not be felt. As only a few hundreds of copies have been issued, those who would possess themselves of a copy should order without delay.

## Japan:

The Land of the Morning.

BY

### Rev. J. W. SAUNBY, B.A.

Cloth, illustrated. \$1.00.

CONTENTS: The Land—Myth and Tradition—In the Ancient Days—The Scholar and the Priest—The Struggle for the Mastery—The Samurai and His Lord—The Trader and the Missionary—Tokugawa's Triumph—Daybreak—Sunrise in Sunrise Land.

"This is the best recent book on Japan that we have seen. Mr. Saunby was a successful missionary of our Church in that country for several years. He understands its history, its institutions, its people. He gives a graphic account of the land, its myths and traditions, its ancient condition and emergence into modern civilization, the advent of the Western trader and missionary, and the recent causes which have led to the wonderful national development which has astonished the world. The chapters on 'Daybreak,' and 'Sunrise in Sunrise Land,' are of marvellous inspiration-a sort of new 'Acts of the Apostles.' The book has numerous engravings and a very handsome symbolical cover."-Methodist Magazine.
