**POLICIES** are  
**Unconditional** **Automatically Non-forfeitable**  
FROM DATE OF ISSUE. AFTER TWO YEARS.

*Extended Insurance* being granted for the full amount of the policy until the entire reserve value is used up.

**Ostrich**  
**Feathers**

Cleaned,  
Dyed and  
Curled.

DO not wait until the Millinery Opening before getting your stock of feathers done over; but get them done at once, and you will be better prepared in March to buy your spring stock, knowing exactly what quantity and colors you will require.

 Remember we are the largest Ostrich Feather Dyers in Canada.
