THE GREAT 7-30 U. S. LOAN.

THE undersigned, having been appointed Agent in Canada for the sale of this popular Loan, is prepared to receive subscriptions for the same.

ADVANTAGES OF THIS INVESTMENT

With gold at a premium of 40 per cent. (as at present) \$71.44 Canadian Currency will purchase \$100 of this Loan, on which amount the U. S. Government pays \$7.39 interest annually. Should U. S. Currency reach par in two years—and now that the war is over there is every reason to believe that it will do so much sooner—the hundred dollar bond, which to-day costs \$71.44 in gold, will then be worth interest included, \$115.40 in gold, which would be equal to 70 per cent. per annum on the investment. And for the payment of this the whole lands and other property of the United States are pledged.

DIRECTIONS TO PARTIES WISHING TO OBTAIN BONDS.—Remit the amount you desire to invest to the undersigned, or apply through any of the Banks of Canada, stating the exact amount in U. S. currency you wish Bonds for, the interest on which will date from the day of your order, and the Bonds will be furnished you as soon as obtained from the Treasury Department at Washington.

Cash advanced on Warehouse Receipts and negotiable paper. Collections in all parts of Canada and the United States.

HELMHOLD'S FLUID EXTRACT BUCHU and
SARSAFARILLA for Non-retention or Incontinence
of Urine, Irritation, Inflammation, or Ulceration of
the Bladder, or Kidneys, Diseases of the prostate
Gland, Stone in the Bladder, Calculus, Gravel or Bile,
Dust Deposit, and all Diseases of the Bladder, Kid-
neys, and Dropsical Swellings.

HELMHOLD'S FLUID EXTRACT BUCHU, for
Weakness arising from Excess or Indiscretion.
The constitution once affected by Organic Weakness,
requires the aid of medicine to strengthen and invigo-
rate the system, which Helmholt's Extract Buchu
invariably does. If no treatment be submitted to,
consumption or insanity may ensue.

HELMHOLD'S FLUID EXTRACT BUCHU and
IMPROVED ROSE WASH will radically exterminate
from the system Diseases of the Urinary Organs,
arising from habits of dissipation, at little expense,
little or no change in diet, no inconvenience and no
exposure, completely superseding those unpleasant
and dangerous remedies, Copaiba and Mercury, in
curing these unpleasant and dangerous diseases.

USE HELMHOLD'S FLUID EXTRACT BUCHU,
in all diseases of the Urinary Organs, whether existing
in male or female, from whatever cause originating,
and no matter of how long standing. It is pleasant in
its taste and odor, immediate in its action, and more
strengthening than any of the preparations of Bark or
Iron.

Those suffering from Broken-down or Delicate con-
stitutions, procure the remedy at once.

The reader must be aware that, however slight may
be the attack of the above diseases, it is sure to affect
his bodily health, mental powers, happiness, and that
of his posterity. Our flesh and blood are supported
from these sources.

PHYSICIANS, PLEASE NOTICE.—We make no
secret of ingredients. HELMHOLD'S FLUID EX-
TRACT BUCHU is composed of Buchu, Cubebs, and
Juniper Berries, selected with great care, and pre-
pared in vacuo, by H. T. HELMHOLD, Druggist and
chemist of sixteen years' experience, in the city of
Philadelphia, and now prescribed by the most eminent
Physicians, has been admitted to use in the United
States army, and is also in very general use in State
Hospitals and Public Sanitary Institutions throughout
the land.

Dollars, delivered to any address, accompanied by
