

58th. Edition of the Standard Postage Stamp Catalogue.

58c Post free.

This will be ready sometime between Nov. 1 and 15 and, in its general appearance, will closely resemble its predecessors, except that postal cards will be omitted entirely, and will be published in a separate volume sometime in November or December.

A feature of the new edition will be the addition of all minor varieties of type, surcharge, etc., and the catalogue will be more than ever, a convenient handbook for all classes of collectors.

Following our practice of some years past, we are prepared to supply advance sheets in forms as delivered to us by the printer, at the price of \$5.00 for the full set. The first forms will be ready for delivery on Sept. 1st.
