STRENGTH OF LONDON MARKET REVIVES ON BETTER NEWS FROM AFRICA—PENNSYLVANIA ACQUIRES REPRESENTATION IN NORFOLK, ALSO IN C. & O. — SUGAR WAR, LABOR TROUBLES AND FORD ASSESSMENTS RECEIVE ATTENTION

New York, April 2.

The London market is again strong with a fairly active business, Atchison preferred and common being strong. Public cables say that some good news has been received from Transvaal which has offset the announcement of capture of six British guns. The only news of importance that has come over night is the definite announcement that the Penna. Co. has acquired a very large block of Norfolk common and preferred. The block is not large enough to place the control of the Company in the hands of the Penna., but it means that the Penna. will secure considerable representation in the directorate, in as much as this road is already represented in directorate of C. & O. It is evidently that the chances for stability of rates in soft coal trade are extremely good.

The financial writers in Sunday's papers are almost unanimously bullish, although in some cases references are made to the Sugar war. The labor troubles in the Steel stocks and the tremendous assessment that have been levied on the local companies under Ford Bill.

The references to the R. R. stocks show the earnings exceedingly satisfactory.

The local traction stocks showed considerable strength during the last half of last week, but this was due rather to a successful campaign against shorts.
