

CAPT. R. McMILLAN, Charlottetown, P.E.I., will build a new steamer this winter, in which the machinery from the steamer "Abram Sutton," recently wrecked, will be placed.

THE Windsor Furniture Company, Windsor, N.S., are enlarging their factory and will introduce a 90 horse power boiler, made for them by the Robb Engineering Company, Amherst, N.S.

MESSRS. CHAS. & F. A. COSSITT, under the firm name of Cossitt Bros., have succeeded to the extensive agricultural implement manufacturing firm of Messrs. G. M. Cossitt & Bro., that place.

THE J. P. Wiser & Sons are being incorporated at Preston, Ont., with a capital stock of \$1,500,000, to take over and continue the distillery business of Messrs. J. P. Wiser & Son, that place.

THE Truro Condensed Milk and Canning Company, Truro, N.S., manufacturers of condensed milk, etc., are now putting up a superior article of condensed tea, with which they are meeting with good success.

MR. SAMUEL LAUGHLAN, Black Point, N.B., is enlarging his saw mill and will add a 75 horse power and a 65 horse power Robb-Armstrong engine, supplied by the Robb Engineering Company, Amherst, N.S.

THE Richardson Gold Mining Company, Isaac's Harbor, N.S., have opened a new mine. The fifteen stamp mill, compound engine and boiler, were supplied by Messrs. I. Matheson & Co., New Glasgow, N.S.

MR. JOHN BARLOW, Wellington, P.E.I., has just erected a new carding mill, replacing the one recently burnt. It is equipped with the most improved machinery manufactured by Goldie & McCulloch, Galt, Ont.

THE Halifax Street Car Company, The Nova Scotia Power Company, and Halifax Illuminating and Motor Company have been sold to an American syndicate, who will operate the street railway by electricity.

THE E. Broad & Sons Company, St. Stephen, N.B., manufacturers of axes, edge tools, etc., are enlarging their works and introducing machinery for making all the tool handles which they require in their business.

MR. C. N. VROOM, St. Stephen, N.B., manufacturer of suspenders, larragans, etc., has secured the right of manufacturing in Canada some American and English patented suspenders, which he thinks, will take immensely with the trade.

THE St. Croix Soap Manufacturing Company, St. Stephen, N.B., manufacturers of the well known Surprise soap, inform us that the value of their output this year will be about \$200,000. They have recently made large shipments to Winnipeg, Man.

THE new water works at Stellarton, N.S., which are about being put in operation, are equipped with pumps made by the Northy Manufacturing Company, Toronto, and boilers made by Messrs. McKinnon & McLean, Charlottetown, P.E.I.

THE Union Furniture and Merchandise Company, Bass River, N.S., who were burnt out, are rebuilding their factory. The order for the rotary mill and some other machinery has been given to The Oxford Foundry and Machine Company, Oxford, N.S.

MESSRS. MCKINNON & MCLEAN, shipbuilders, of Charlottetown, P.E.I., have just delivered at Pictou, N.S., the new steamer "Caber Freidith," built by them. This steamer will take a private party of Nova Scotians to the Columbian Exposition, at Chicago, next summer.

## FOR REPAIRING MACHINERY

Our portable drilling machine can be applied to the frame of a machine, or anywhere it hole is required. It bores at any angle. Nothing like it for repairs.

EVERY MANUFACTURER NEEDS ONE.
