Made in Nature's Laboratory

The natural foods are the best foods, are they not, Doctor? And when Nature has compounded in one of her own chemical laboratories a delicious and therapeutically valuable mineral water you will concede that it must be superior to the artificial. It cannot be imitated by man—it has no duplicate in another of Nature's laboratories.

MAGI WATER

Is a Pure, Natural Mineral Water

coming from the Magi Caledonia Spring. Its therapeutic value has been proved in countless cases of Rheumatism, Gout and many troubles arising from disorders of the digestive apparatus. Its deliciousness is daily proved by the thousands who drink it simply and solely as a beverage.

You know that one commercial laboratory never can exactly duplicate the product of another. Neither can one of Nature's laboratories duplicate the product of another of her laboratories. Yet there are other waters, some natural and some artificial, none coming from the famous Magi Caledonia Spring, but calling themselves "Caledonia" waters and pretending to approach Magi Water in excellence—even trying to pass themselves off as the same.

In ordering or prescribing be sure that **Magi Water** is specified and delivered. Let us send you literature on Magi Water and the Caledonia Springs Hotel.
