Libby's Sliced Bacon

You know the difference between the common bacon of the trade and that smoked, cured and sliced a uniform thickness by Libby.

Libby's mild-cure is perfect, always all right and carefully packed in sealed glass jars and cans.

It is the *Libby way* that makes Libby's bacon just a little better than any other.

Libby's Corned Beef Hash

Think of the best Corned Beef Hash you ever remember eating—recalls pleasant memories, doesn't it?

Allright,—Now think of something just a little better.

It is Libby's Corned Beef Hash, cooked, seasoned and ready to serve by placing the can in hot water two minutes, or by giving the contents a crispy brown in the oven or spider.

There never was Corned Beef Hash more toothsome than Libby's.
