

Manual of Punctuation

... AND SOME ...
TYPOGRAPHICAL MATTERS

DESIGNED FOR

Printers, Students, Teachers and Writers

BY **JAMES P. TAYLOR**

This little book of eighty-two pages aims to make every student of it an adept in the art of punctuation, and we do not think we claim too much for it when we say that it will accomplish all it aims to.

The exercises, one or two excepted, have not been taken from any work on the subject, but from every outside source that provided the best for illustrating the subject. Many have been taken from the School Readers; and it is believed that they are sufficiently numerous and well chosen to afford all necessary assistance to aspirants for proficiency in this much neglected art.

Mailed, postpaid, on receipt of price.

FIFTH EDITION

Armstrong's Arithmetical Problems

Senior Classes in Public Schools, and Candidates for Entrance to High Schools and Collegiate Institutes.

This edition contains nearly 900 Problems. The Entrance Papers from JUNE 1880 JUNE 1892, both inclusive, are appended, also the Public School Leaving Examination Papers for 1892. The answers to all the Problems are given. No other work possesses these features.

Read What Teachers and Inspectors Say of it:—

I am highly pleased with your Arithmetical Problems for Senior classes. It suits my Entrance candidates exactly. A book such as this is needed by every Fourth Class pupil.—GEO. KIRK, Head Master M.S., Chatham.

I have just examined your Arithmetical Problems for Senior Classes. The problems are very suitable and the collection must prove very valuable to teachers. I heartily commend it.—G. D. PLATT, B.A., P.S. Inspector, Prince Edward.

After a careful examination of your "Arithmetical Problems for Senior Classes," I find them well graded and very suitable for the purpose intended. The teacher who uses them for home or class work, will save himself a vast amount of labor, and in all probability secure to his pupils much better results.—J. S. DEACON, Inspector, Halton.

I have no hesitation in saying that for the purpose for which it is intended the work is infinitely the best with which I am acquainted. Its strong point, to my idea, is the logical sequence in the problems by which the pupil is almost insensibly led on step by step until he reaches quite a difficult style of question. The printer, too, has done his work very well, and there are but few typographical errors. I shall certainly recommend every teacher in my inspectorate to use a copy.—J. C. MORGAN, M.A., Inspector, Barrie.

Price, strongly bound in cloth, 25 cts.

THE CHIEF CHARM OF A REFINED WOMAN

is her complexion. Why have Pimples Freckles spots or any blemish when Peach Bloom Skin Food will remove them all, and leave the Skin transparent, soft and beautiful?

PEACH BLOOM contains nothing that can injure the skin. It is clear as water, and leaves no trace of the application one minute after use.

PEACH BLOOM differs from any known preparation, in that it cleanses the pores of the skin from injurious accumulations, imparts health to the inner as well as to the outer cuticle, dissolving and removing Pimples, Blackheads, Liver Spots and Blemishes, and gradually brings about that transparent state of the skin that makes a perfect complexion.

PEACH BLOOM is in demand ahead of all cheap preparations, because it has merit, and because it produces the results we claim for it.
