

NEWS AND NOTES.

There is no remedy known to science that will so speedily and so effectually cure or relieve lumbago, chronic or acute rheumatism swollen or stiff Joints as *Johnson's Anodyne Liniment* used internally and externally.

In answer to numerous inquiries we have to say that *Sheridan's Cavalry Condition Powders* are a pure article. We know them to be so. They are as much superior to all others as a good thing is superior to a worthless one.

A writer says; "I would not be without *Eagar's Wine of Rennet* in the house for double its price. I can make a delicious dessert for my husband, which he enjoys after dinner and which I believe has at the same time cured his dyspepsia.

Ayers Cathartic Pills are the best medicine that can be employed to correct irregularities of the stomach and bowels. Gentle, yet thorough, in their action, they cure constipation, stimulate the digestive organs and the appetite, and cleanse, build up, and strengthen the system.

EAGAR'S PHOSPHOLEINE is the best Emulsion yet made," is what a leading druggist in Canada writes; "we have no doubt of it." It is not the advertising, but its sterling worth that is making it known, and it is amongst the physicians and more intelligent classes that it is used.

The "constantly tired out" feeling so often experienced is the result of impoverished blood and consequent enfeebled vitality. *Ayer's Sarsaparilla* feeds and enriches the appetite, and promotes digestion of the food and the assimilation of its strengthening qualities. The system being thus invigorated, the feeling rapidly changes to a grateful sense of strength and energy.

CORNS! CORNS! CORNS!

Everyone suffering from painful corns will be glad to learn that there is a new and painless remedy discovered by which the very worst class of corns may be removed entirely in a short time and without pain, *POTNAM'S PAINLESS CORN EXTRACTOR* has already been used by thousands, and each person who has given it a trial becomes anxious to recommend it to others. It is the only sure prompt and painless cure for corns known. *Potnam's Painless Corn Extractor* is sold everywhere. N. C. POISON & CO., Kingston, Proprietors.

PHYSICIAN'S TESTIMONIAL.—J. F. Brine, M. D., Port Hill, P. E. I., writes:—Messrs. Puttner, Emulsion Co., Halifax. Dear Sirs—I have used your Emulsion extensively during the past four years, and have much pleasure in adding my testimony as to its efficacy. We had here last summer numerous cases of Whooping Cough and Scarlet Fever. I found the Emulsion answer admirably when the acute symptoms had subsided, in very many instances. In most wasting disorders, especially those peculiar to children, your Emulsion has rendered me good service, being pleasant to the taste and no feeling of nausea following its administration. It seldom fails giving good results, and I prefer it to any other preparation of the kind.

I am, yours respectfully,
J. F. BRINE, M. D.

Davy & Clark, Druggists, Renfrew, date of June 3rd, write:—"Burdock Blood Bitters, though comparatively a new preparation, has taken the lead in this locality as a blood purifier, our sales of it being equal to that of all other medicines used for the purpose during the last year."

A WORD OF EXPLANATION RESPECTING PUTTNER'S SYRUP.

In justice to the Medical Profession and general public, as well as ourselves, and to prevent mistakes, we wish to state that *PUTTNER'S SYRUP* or *HYPOPHOSPHITES* is entirely different from any other compound bearing the name of C. F. Puttner, and is the only one made under his supervision, and would request that *Puttner's Syrup* be asked for, as it contains *no Cod Liver Oil*. Sold everywhere. Price 50 cents.

In this present age, when the life battle is so fiercely fought, and when upon even the strongest the tug and stress of it tell so heavily, how necessary it becomes for us to provide for the keeping up of our reserve stock of mental and physical stamina by the use of such a nervous tonic and vitalizing agent as "*Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime*."

Its gently stimulating and nutritive-ionic properties supply the materials, and assist nature in her efforts to keep up with the exhaustive demands upon her reserves.

Prepared only by *HANNINGTON BROS., Chemists, St. John, N. B.*, and for sale by Druggists generally.

Price \$1.00 per bottle, or six bottles for \$5.00.

To be Dyspeptic is to be miserable. Dyspepsia is a disease in which a thousand ills seem to be combined, yet its origin in very many instances may be traced to nothing more than an improper assimilation of the food. To remedy this is to cure the disease. By the use of *Hannington's Quinine Wine and Iron, and Tonic Dinner Pills*, the organs of Digestion are strengthened, the food is assimilated readily, and the disease is eradicated. Many who have suffered the indescribable torments of Dyspepsia for years owe the restoration of their health and strength to the use of these medicines. Beware of imitations. See that you get "*Hannington's*," the original and genuine. For sale by all druggists and general dealers in Canada.

WELL AS EVER.

Lottie Howard writes from Buffalo, N. Y.:—"My system became greatly debilitated through arduous professional duties; suffered from nausea, sick headache and biliousness. Tried *Burdock Blood Bitters* with the most beneficial effect. Am well as ever."

The working men of Derby have resolved to present Mr. Gladstone with a Crown Derby dessert service, ornamented with views of the famous country scenery.

EAGAR'S PHOSPHOLEINE

Below is another certificate from a grateful patient who has been rescued from that dread disease,

CONSUMPTION:

M. F. EAGAR, ESQ.:

DEAR SIR,—My wife, *Laura A. Finson*, was taken ill early this year, and suffered severely with a bad cough, accompanied by expectoration of mucus containing blood, and great weakness of the chest, general prostration, and clammy night sweats, and continued to grow worse until I was recommended to procure for her some bottles of your Phospholeine and Wine of Rennet. This I did, and after using about five bottles of the Phospholeine, taking a teaspoonful at a time in a wineglass of milk, increased afterwards to a tablespoonful, and shortly after each dose a teaspoonful of your Wine of Rennet, she became thoroughly well, her improvement commenced after the first half bottle had been taken. She can now superintend her household duties without inconvenience, eats and sleeps well, and every symptom of consumption has banished. I have to thank your medicine for her restoration to health.

WALTER R. FINSON, Vanceboro', Maine, U. S. The statement of facts contained in the above certificate is in all respects accurate. I feel assured that I owe my cure to your medicines. LAURA A. FINSON.
