GOLD NOT SO PRECIOUS.

SIRS,—For several seasons we have relied on Dr. Fowler's Extract of Wild Strawberry for all summer complaints. A few doses always gives relief and it never fails to cure. We think it a very valuable medicine; as precious as gold.

A PEG-TOP

Is a first-class cigar and made of good tobacco. Try it—it will please. L. O. Grothe & Co., Montreal.

CUMSO—"You look sad. Have you heard some bad news?"

FANGLE—"Yes."

"What was it? Did your tailor tell you he wouldn't trust you any longer?"

"No; that wasn't it. My wife came in and told me that the manager of the largest dry goods store in town said my credit was good for anything in the store."

No man ever smoked "Myrtle Navy" tobacco for a fortnight and then took to any brand in preference to it. It bears its own testimony of its qualities, and it is testimony which is always convincing. The smoker who uses it is never annoyed by getting it sometimes of good quality and sometimes of bad. The arrangements of the manufacturers for keeping its quality equal are very elaborate and complete, and are the results of many years of experience and close observation.

TORONTO INDUSTRIAL FAIR.

THE great event in Exhibitions in Canada is the Toronto Industrial Fair, which opens this year Sept. 5th and closes Sept. 17th. It will be specially interesting on account both of the large and comprehensive prize list and because of the special attractions to be offered. So great has been the demand for space in past years and to such large proportions has the Fair grown, that more space became a necessity and after repeated efforts the directors have secured additional accommodation on the Garrison Commons. A large new grand stand and a new speeding ring will be ready by opening day. The plan for the stand shows a design of the most complete character, with offices and side rooms to meet the convenience and comfort of all who may be engaged in the ring, or who may wish to remain as spectators of the speeding and other attractive events. Every farmer in the Province ought to see this Fair. The special attractions this year are very numerous and are much superior to previous years. Cheap fares will prevail on all railways.
