

## A WALDEMAR MIRACLE.

A C P. R. MAN RELATED HIS WONDERFUL ESCAPE.

Helpless With Rheumatism and Sciatica  
—Relief Comes After Doctors had  
Failed—The Story Corroborated  
by Reliable Witnesses.

Grand Valley Star.

There are few people in this vicinity who do not know Mr. Tom Moss, of Waldemar. He has been for years the most worthy citizen of the C. P. R. in the division in which he resides and the exemplary life he always led has given him a respectable status in the community. He is a gentleman who is thoroughly reliable, and when "Tom" Moss tells you anything you can depend upon it every time. This by way of preface to an interesting story the Star has to tell. For some time past a great deal of novel and entertaining literature has appeared in the columns of the press throughout the country, giving the particulars of events bordering on the incidents, in various parts of the continent. Those who have read these narratives must have put them down either as dry and tame recitations, or come to the conclusion that they are indeed stranger than fiction. The Star must confess that it did not pay much attention to the reported miraculous cures until about a month ago, when it was told that a once crippled man as many of these as published had been wrought with in a few miles of Grand Valley. The fact is that great cures, or accidents, or tragedies, as they occur hundreds of miles away, no matter how exciting, or how thrilling—do not usually arouse more than a passing interest, where the actors or the entire figures are entirely unknown. But let something occur in one's own neighborhood analogous to that reported from a distance, and with what different feelings is the news received. We had read of miracles wrought at Trenton, London, Hamilton and other places, through the efforts of Dr. Williams' famous Pink Pills for Poor People. But we were not acquainted with the parties restored to health; we were in the enjoyment of good health ourselves, and the memory of the great things done in other sections passed from our mind. When we were told, however, that we had only to drive down to the pretty village of Waldemar to get the full particulars of a miracle as striking as many that had been reported in the newspapers, we were at once interested. We were further told that Mr. Tom Moss was the man who could best testify to the fact that Mr. Williams' famous Pink Pills had been sold to him, and that Mr. Moss had been told by Mr. Williams himself that his cure had been effected by the use of Pink Pills. On account of Mr. Moss' and other facts from him, we found that his story was even more surprising than the one which had been going the last rounds. Mr. Moss had not only been troubled with rheumatism, but suffered of a most painful type, and had also been afflicted with bronchitis which made him feeble to regard as chronic.

THE REPORTER'S STORY.

"What you have heard is quite true," said Mr. Moss, in reply to our query, "I received Dr. Williams' Pink Pills with much interest. For years I had been suffering from rheumatism and bronchitis and used to look upon both as incurable. Last spring I went with further trouble, when I had the misfortune to suffer with a severe attack of sciatica. I became so bad that I was laid up, and for some weeks was unable even to move. Many of the men on the Line and all you of the condition I was in. There was an incident on the road and I had to be carried to a railroad car that I might be brought to the rear of the locomotive, in order that a proper report might be made to the railway authorities. I believe I would still have been helpless in my house, or perhaps with the stolid apathy of a friend had not told me of the great merits of Dr. Williams' Pink Pills and urged me to try them. All other remedies had failed, physicians were entirely unable to cure me, and I had given them up in despair. You can imagine the despondent condi-

tion I was in when Mr. Rainey, of Grand Valley mentioned Pink Pills to me. I had little hope that they would benefit me, but drawing men clutch at straws, and that was my frame of mind when I purchased the first supply of Dr. Williams' Pink Pills. I had not used the Pink Pills long when I began to find relief and this naturally made me hopeful, and I persevered in their use until the cure was complete. The change wrought in me by Dr. Williams' Pink Pills is as delightful as it is marvellous, and for the first time in years I find myself free from pain. I was weak, helpless and hopeless—doctors and other remedies had done me no good, but Pink Pills have restored me to health and strength. The sciatica disappeared, the rheumatism went with it, but stranger still, I am cured of the bronchitis I had come to regard as incurable. I say stranger still, because I notice that in the list of ailments for which Dr. Williams' claims his remedy beneficial, bronchitis is not mentioned, and this forces me to the conclusion that Pink Pills have even more marvellous properties than they have been credited with. My case seems almost incredible but there are so many here who are witnesses of my cure that even the most sceptical must be convinced, and I firmly believe Dr. Williams' Pink Pills will cure any trouble with which man is afflicted. This may seem to be enthusiasm, but I have the right to be enthusiastic after what they have done for me, and I strongly urge those afflicted with sickness of any kind to try Dr. Williams' Pink Pill—the greatest of modern medicines."

Mr. Moss' narrative was certainly of absorbing interest, particularly as the reporter knew he was not a man who would exaggerate facts. The story of the case was corroborated by many neighbors, among them Mr. Wm. Eaton who had assisted in carrying Mr. Moss to the bandbox when taken to the scene of accident above mentioned, and Mr. Buchanan, the popular C. P. Agent. The reporter returned to Grand Valley fully satisfied as to the great curative properties of Dr. Williams' wonderful discovery.

The Star interviewed the druggists of Grand Valley, and the same answer from all, Pink Pills are the best selling and most popular remedy in their stores, and the sales are constantly increasing. Mr. Eskine, of Dr. Hopkins' drug store, and Mr. Strickley, of Mr. Reith's establishment, told the Star they were amazed at the great and growing demand for Dr. Williams' Pink Pills. If the remedy is as popular in other parts as it is in and around Grand Valley, great indeed must be the good accomplished by this famous cure.

Dr. Williams' Pink Pills are not a patent medicine in the sense in which that term is usually understood, but a scientific preparation. They contain in a condensed form all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an outstanding specific for such diseases as locomotor ataxia, neuralgia, rheumatism, nervous headache, the after effects of influenza, palpitation of the heart, pale and sallow complexion and the tired, feeble resulting from nervous prostration; all diseases due to drowsy vivified numbers in the blood, such as scrofula, chronic erysipelas, etc. They

are also a specific for troubles peculiar to females, such as suppressions, irregularities, and all forms of weakness. They build up the blood and restore the glow of health to pale and sallow cheeks. In the case of men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of whatever nature.

These Pills are manufactured by the Dr. Williams' Medicine Company, Brockville, Ont., and Schenectady, N. Y., and are sold only in boxes bearing the firm's trade mark on the wrapper, at 50 ets. a box or six boxes for \$2.50. Bear in mind that Dr. Williams' Pink Pills are never sold in bulk, or by the dozen or hundred, and any dealer who offers substitutes is trying to defraud you and should be avoided. Dr. Williams' Pink Pills may be had of all druggists or direct by mail from Dr. Williams' Medicine Company from either address. The price at which these pills are sold make a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

Have no equal as a prompt and positive cure for sick headache, biliousness, constipation, pain in the side, and all liver troubles. Carter's Little Liver Pills. Try them.
