RELIEF IN TEN MINUTES!

BRYAN'S PULMONIC WAFERS The most certain and speedy remedy ever discovered for all Diseases of the Chest and Lungs, Coughs, Colds, Asthma, Consumption, Bronchitis, Influenza, Hoarseness, Difficult Breathing, Sore Throat, &c. &c.

THESE WAFERS gives the most instantaneous and perfect relief, and when persevered with according to directions, never fail to effect a rapid and lasting cure. Thousands have been restored to perfect health who have tried other means in vain. To all classes and all constitutions they are equally a blessing and a cure—none need despair, no matter how long the disease may have existed, or however severe it may be, provided the organic structure of the vital organs is not hopelessly decayed. Every one afflicted should give them an impartial trial.

To VOCALISTS and PUBLIC SPEAKERS, these Wafers are peculiarly valuable; they will in one day remove the most severe occasional hoarseness; and their regular use for a few days will, at all times, increase the power and flexibility of the voice, greatly improving its tone, compass and clearness, for which purpose they are regularly used by many professional vocalists.

McPHERSON'S COUGH LOZENGES Are the only certain Remedy ever discovered for COUGHS, COLDS, HOARSENESS, BRONCHITIS, ASTHMA, INFLUENZA, DIFFICULT BREATHING, INCIPENT CONSUMPTION, And all Diseases of the PULMONARY ORGANS generally.

McPHERSON'S Lozenges are the most convenient, pleasant, and efficacious remedy that can be employed for the removal of the above distressing, and if neglected, dangerous symptoms. They give almost instantaneous relief, and when properly persevered with, never fail to effect a rapid and lasting cure.—To those who are affected with difficulty of breathing, or redundancy of phlegm, they give speedy relief by promoting free expectoration. For aged persons they are indispensable; and no one whose lungs are in the least degree susceptible of cold ought to be without them. In cases of moist asthma, McPher-son's Lozenges will at once prevent that soreness which is the result of constant expectoration, and in a dry or nervous asthma, they will promote that degree of expectoration by which the painful coughing may be greatly prevented. Prepared only by the subscriber whose name is on the label of each box. J. A. HARTE, GLASGOW DRUG HALL, No. 268, Notre Dame Street, Montreal November 7, 1862

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of ROXBURY, has discovered in one of the common pasture weeds a Remedy that cures EVERY KIND OF HUMOR. From the worst Scrofula down to the common Pimple He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder-bolts). He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face. Two to three bottles will clear the system of boils, hospitals, and all kinds of public and private buildings with a new "Steam Heater," which he has already fitted up in some buildings in the City, and which has given complete satisfaction. Montreal, May 2, 1861. 13m

Two bottles are warranted to cure the worst cancer in the mouth and stomach. Three to five bottles are warranted to cure the worst case of erysipelas. One to two bottles are warranted to cure all humor in the eyes. Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruption of the skin. Two or three bottles are warranted to cure the worst case of ringworm. Two or three bottles are warranted to cure the most desperate case of rheumatism. Three or four bottles are warranted to cure salt rheum. Five to eight bottles will cure the worst case of scrofula. DIRECTIONS FOR USE.—Adult, one table spoonful per day. Children over eight years, a dessert spoonful; children from five to eight years, tea spoonful. As no direction can be applicable to all constitutions, take enough to operate on the bowels twice a day. Mr. Kennedy gives personal attendance in bad cases of Scrofula. KENNEDY'S SALT RHEUM OINTMENT, TO BE USED IN CONNECTION WITH THE MEDICAL DISCOVERY.

For Inflammation and Humor of the Eyes, this gives immediate relief; you will apply it on a linen rag when going to bed. For Scald Head, you will cut the hair off the affected part, apply the Ointment freely, and you will see the improvement in a few days. For Salt Rheum, rub it well in as often as convenient. For Sores on an inflamed surface, you will rub it in to your heart's content; it will give you such real comfort that you cannot help wishing well to the inventor. For Scabs: these commence by a thin, acrid fluid oozing through the skin, soon hardening on the surface; in a short time are full of yellow matter; some are on an inflamed surface, some are not; will apply the Ointment freely, but you do not rub it in. For Sore Legs: this is a common disease, more so than is generally supposed; the skin turns purple, covered with scales, itches intolerably, sometimes forming running sores; by applying the Ointment, the itching and scales will disappear in a few days, but you must keep on with the Ointment until the skin gets its natural color. This Ointment agrees with every flesh, and gives immediate relief in every skin disease flesh is heir to. Price, 2s 6d per Box. Manufactured by DONALD KENNEDY, 120 Warren Street, Roxbury Mass. For Sale by every Druggist in the United States and British Provinces. Mr. Kennedy takes great pleasure in presenting the readers of the True Witness with the testimony of the Lady Superior of the St. Vincent Asylum, Boston:— ST. VINCENT'S ASYLUM, Boston, May 26, 1856. Mr. Kennedy—Dear Sir—Permit me to return you my most sincere thanks for presenting to the Asylum your most valuable medicine. I have made use of it for scrofula, sore eyes, and for all the humors so prevalent among children, of that class so neglected before entering the Asylum; and I have the pleasure of informing you, it has been attended by the most happy effects. I certainly deem your discovery a great blessing to all persons afflicted by scrofula and other humors. ST. ANN ALEXIS SHORB, Superiress of St. Vincent's Asylum. ANOTHER. Dear Sir—We have much pleasure in informing you of the benefits received by the little orphans in our charge, from your valuable discovery. One in particular suffered for a length of time, with a very sore leg; we were afraid amputation would be necessary. We feel much pleasure in informing you that he is now perfectly well.
