

Name Your Executor

After toiling and sacrificing to acquire property, it is reprehensible for a man to leave his estate to be administered by an appointee of the court, instead of wisely making a Will and appointing an Executor of his own selection.

It is merest business foresight to see that one's Will names a **reliable, competent and willing Executor**. No individual Executor can give such constant attention and expert service in administering an estate as a Trust Corporation like this is experienced in giving.

Will Making

THE average human being is very much averse to making a Will; and yet it is absolutely necessary that it be done, if we would dispose of our Estate as we would wish, instead of leaving it to the disposition of the Law.

The making of a Will TODAY will not accelerate death a single instant, but rather tend to make us satisfied with an act timely and properly done.

The Corporate Executor is the only ideal Executor. Consult with us as to the making of your Will. Will Forms Free.
