BRIEFLETS.

Rev. Father Messier has returned in much improved health to the Archbishopal residence.

The hard-up lawyer can't help thinking that where there's a will there's a way of making money.

A middle-aged woman may weigh two hundred pounds and yet jump at conclusions as nimbly as she did in her slender youth.

The Right Rev. Antony Gaughran, O. M. I., Bishop of Priene and Vicar-Apostolic of the Orange Free State, was in Rome three weeks ago.

Mr. A. E. Forget, Indian Commissioner, went last week to visit the Crooked Lake Reserve and the Regina Indian Industrial School. He returns this week.

Louis Wuilleret, one of the most eminent Swiss Catholics, died lately at the age of eighty-three. He had long been President of the Conservative Committee.

"The Twentieth Century," a new weekly of Kentville, N. S., is authority for the statement that the bicycle craze, as far as women cyclists is concerned, is subsiding in England.

Dr. James A. Devine, a young M. D. of Trinity College, Dublin, is going to practise his profession in Winnipeg. Dr. Devine is a fervent Catholic and a man of wide and varied culture.

Bishop Joulain, O. M. I., of Jaffna, accompanied by Father Maingot, O. M. I., sailed for Europe from Colombo, on the 13th March, to assist at the General Chapter of their Society.

The largest farmer in England, who, fittingly enough, bears the name of Farmer, holds more than 15,000 acres in Wiltshire, milks at least a thousand cows and owns upwards of 5,000 sheep.

The Rev. Alexander Christie, rector of St. Stephen's Church, Minneapolis, has been appointed Bishop of Vancouver. Father Christie's name had already been mentioned for another bishopric. He is a distinguished convert.

Dr. Dame left for California last Saturday. He intends to visit the hospitals on the Pacific coast and all electro-therapeutic establishments. Besides San Francisco, he will stop over at Los Angeles, San Diego, and other points of interest for the sake of his own health impaired by overwork. The Doctor, who is one of the very best surgeons

that ever operated in St. Boniface Hospital, will be sorely missed during his three months' absence.

The Rev. W. Evans, late of Cardiff, Wales, has been received into the Catholic Church in Rome, where it is his intention to remain for the next two months.

The University Arts examinations will begin next Monday in the Brydon rink. The medical examinations will take place at the same time in the University Rooms, Davis Block, Market Street.

The cause of beatification of Christopher Columbus has been resumed, the certificate of his marriage with Palastretta Monis having been discovered. The process was suspended whilst a search was being made for this.

Had the Free Press "City and General" reporter looked up our latest issues or even telephoned to St. Boniface, he would have discovered that the Mother General of the Grey Nuns arrived from Montreal, not last Thursday (as he stated) but the Saturday before that; that Father Gendreau left Winnipeg for the Klondyke, not last Thursday the 28th, but about two weeks before that date; and, finally, that Father Corbeil left for the same destination last Thursday, though the reporter speaks, on Friday last, of his departure as still to come. The only point on which he was right was the announcement that Father Desmarais, O. M. I., will join Fathers Gendreau and Corbeil.

That competes annually with half a dozen Protestant Colleges & Collegiate Institutes.

In proportion to the number of its pupils, St. Boniface College . . .

Has Won . . .
More Scholarships
Than any of its Protestant Competitors.

Read the following extract from the Northwest Review, July 8th, 1897:—

The students of St. Boniface College came off with even more than usual success. They captured the two scholarships for Greek, Achille Rousseau, of the previous year, winning the coveted \$40 over 26 competitors from his own and other colleges, and Jean Arpin the corresponding \$25 in the Preliminary over twenty competitors. As our candidates numbered only eight against forty from three other colleges, this double victory redounded greatly to their credit. Moreover Achille Rousseau was fourth out of seventy-seven in Latin and Algebra, Antonin Dubuc was first out of one hundred and thirty from St. Boniface, Winnipeg, Portage La Prairie, Brandon and Regina, in the Latin of the Preliminary. The French and His tory scholarship of \$60 in the Previous was won by Fortunat Lachance. In the Latin course of Mental and Moral science, Marins Cinq-Mars took his B. A. degree with first class honors and the Silver Medal, while Noel Bernier and E. J. Golden divided the two scholarships in the Junior B. A. year, receiving \$100 each. The only other student in this year, Gustave Rocan, obtained first class marks in all the honor papers of his course. The St. Boniface candidates maintained their long established reputation for thoroughness in the twenty subjects, Cinq-Mars being second out of the pass-subjects, Cinq-Mars and first out of thirty-three in Physics. Not one of the St. Boniface men failed in anything.

Some people in the world persist in clinging to old methods. There are men who still use a forked stick in place of a modern plow. There are also men, when they are troubled with a disordered stomach or liver, resort to the old-fashioned violent remedies that rack and rend the whole body, and while they give temporary relief, in the long run do the entire system a great amount of harm.

Modern science has discovered remedies infinitely superior to these old-fashioned drugs, that do their work by promoting the natural processes of excretion and secretion and gently correcting all circulatory disturbances. When a man feels generally out of sorts, when he loses sleep at night, when he gets up headachey and with a bad taste in his mouth in the morning, when he feels dull and lethargic all day, when his appetite is poor and his food distresses him, when work comes hard and recreation is an impossibility, that man, though he may not believe it, is a pretty sick man. He is on the road to consumption, nervous prostration, malaria, or some serious blood disease. In cases of this description a man should resort at once to Dr. Pierce's Golden Medical Discovery. It is the best medicine for a weak stomach, impaired digestion and disordered liver. It is the great blood-maker and purifier, flesh-builder and nerve tonic. It cures 98 per cent. of all cases of consumption, bronchitis, lingering coughs and kindred ailments. Thousands have testified to its marvelous merits. It is a modern, scientific medicine that aids without going against nature, and that has stood the test for thirty years. Medicine dealers sell it.

Dr. Pierce's Pellets cure constipation.

BUYING DRUGS

Is entirely a matter of confidence, as in no other business is sophistication easier; nor does any other avenue afford so ready a means of disposing of worthless articles. You can buy a pair of shoes for \$1 or \$10—it's entirely a matter of quality. There is as much difference in the quality of drugs as there is in shoes, except in purchasing one you can use your own judgment, in buying the other you are entirely dependent upon the honesty and judgment of the Druggist. In one case it is only a matter of comfort and appearance, and in the other frequently of LIFE or DEATH. You can always rely with the utmost confidence on the DRUGS and Medicines which you get at

W. H. COMSTOCK, Brockville.
DEAR SIR.—Am selling your "Dr. Morse's Indian Root Pills" in this locality. I have customers who come 20 miles for the sake of getting Morse's Pills. This speaks for itself as to their value. I use them in our family with "the most satisfactory results." My wife has been cured of "sick headache" by their use. We could not do without them.

DO YOU NEED A WATCH ?

We sell them, sell them at such an exceedingly low price that you can't afford to go watchless. Got'em all sizes and styles. But we'll just mention two:—
An Entry on WALTHAM Watch, best movement made, hunting case, accurate time-keeper, handsome engraved Duver case, heavily gold-plated—last for all time. Ladies' or gentleman's size.
We'll send it to your address with privilege of examination. If it's not entirely as represented, send it back—costs you nothing. If you like it, pay the agent express charges and \$6.50.—That's fair. Or this—
A HUNTING CASE WATCH, beautifully engraved case, first-class movement, any size, heavily plated (14k)—looks just like a \$40.00 gold watch—keeps as good time as any of them. Sent to your express agent with privilege of examination—same conditions as all our watches sent out—and if you like it, pay him \$3.95 and express charges.
If you take our word for it and SEND MONEY WITH ORDER, a handsome chain goes with either, and express charges are paid by us for the prices named above.
