No. 38

UNITED STATES EMBASSY

OTTAWA, August 17, 1954.

SIR:

I have the honor to acknowledge the receipt of your Note No. X-214 of August 17, 1954 in which you inform me that the Canadian Government agrees to certain modifications in the arrangements set forth in the Notes of our Governments of June 30, 1952, in the light of the changed circumstances with respect to the St. Lawrence Seaway Project brought about by the enactment by the Congress of the United States of Public Law 358, approved by the President on May 13, 1954.

The United States Government has called the attention of the Canadian Government to the provisions of Public Law 358 authorizing and directing the St. Lawrence Seaway Development Corporation to construct certain canals and locks on the United States side of the International Rapids Section of the St. Lawrence River as its part of the St. Lawrence Seaway Project. As the Canadian Government has been informed, it is the intention of the United States Government to participate in the St. Lawrence Seaway Project by constructing these navigational facilities.

The United States Government agrees with the requirements of consultation between the two Governments set forth in paragraphs 4(b) and 6 and agrees to relieve Canada of its obligation of June 30, 1952 as referred to in paragraph 3 of your Note No. X-214 of August 17, 1954.

My Government notes the declarations contained in your Note as to the intentions of the Canadian Government with respect to other matters relating to the St. Lawrence Seaway Project.

The United States Government wholeheartedly shares the view expressed by the Government of Canada concerning the benefits to be anticipated from this joint enterprise and welcomes this new opportunity for constructive and harmonious co-operation between our two countries.

Accept, Sir, the renewed assurances of my highest consideration.

DON C. BLISS

The Honorable Lester B. Pearson,
Secretary of State for External Affairs,
Ottawa.
