ASSIGNMENT OF ARTHUR ANDREW  
AND PIERRE CHARPENTIER

The Department of External Affairs today announced the assignment of Mr. Arthur Andrew to the University of Toronto and Mr. Pierre Charpentier to Laval University for the academic year 1969-70. Mr. Andrew is Canadian Ambassador to Sweden and Mr. Charpentier is Counsellor at the Permanent Delegation of Canada to the Organisation for Economic Co-operation and Development at Paris.

These assignments are in implementation of the policy outlined by Mr. Sharp at a seminar on relations with Europe held in Hull on January 3, 1969, of increasing contacts between the Canadian academic community and the Department of External Affairs. They are part of an overall programme aimed at the development of closer relations between members of the Department of External Affairs and those who teach and undertake research about international affairs.
