

MCGILL UNIVERSITY
MONTREAL

SCHOOL OF COMMERCE
OFFICE OF THE DIRECTOR

November 28th, 1930.

Sir Arthur Currie,
Principal,
McGill University.

Dear Mr. Principal,

I have just received your circular and I find it difficult to suggest who - apart from the men who are actively engaged in the work of the School - should be named on a committee of the kind you mention. It is seldom one finds outsiders who are capable of doing anything more than criticise. The views of men with little or no knowledge of the subjects taught, and lacking responsibility, should be received on all kinds of committees with all kinds of precautions. For the moment then I merely suggest the following names:-

Professor R.M.Sugars,
" Thompson
" Tate
" Stanley
Dr. Villard
Dr. Day
Dr. Johnson
Dr. W.D.Tait
Dr. Leacock

I enclose a summary of my views with regard to the development of the School of Commerce.

Yours very truly,

Robert M. Sugars

Director-Secretary.
