Dr. G. E. Armstrong,
Dean, Faculty of Medicine,
Medical Building.

Dear Dean Armstrong:-

I have been requested by Dean
Laird of our School for Teachers to ask if the
Faculty Room in the Medical Building might be placed
at the disposal of the Canadian Teachers Federation
for their meeting in Montreal during the first week
of August next.

This room will accommodate the
delegates nicely and I should very much like to leave
a favourable impression on their minds, as they come
from all parts of Canada.

Yours faithfully,

Principal.
