

THE WORKS OF EDGAR ALLAN POE.

Complete in Three Volumes, with a Portrait; a Memoir by James Russell Lowell, and an Introductory Essay by N. P. Willis. Edited by Rufus W. Griswold, D. D. 12mo, price \$4.00.

"Poe's writings are distinguished for vigorous and minute analysis, and the skill with which he has employed the strange fascination of mystery and terror. There is an air of reality in all his narrations—a dwelling upon particulars, and a beauty of interesting you in them, such as is possessed by few writers except those who are giving their own individual experiences."—*Philadelphia Ledger*.

"We need not say that these volumes will be found rich in intellectual excitements, and abounding in remarkable specimens of vigorous, beautiful, and highly suggestive composition; they are all that remains to us of a man whose uncommon genius it would be folly to deny."—*New York Tribune*.

"Mr. Poe's intellectual character—his genius—is stamped upon all his productions, and we shall place these, his works, in the library among those books not to be parted with."—*N. Y. Com. Advert'r.*

"We feel, however, that these productions will live. They bear the stamp of true genius; and if their reputation begins with a 'lit audience though few,' the circle will be constantly widening, and they will retain a prominent place in our literature."—*Rev. Dr. Kip*.

**TALES AND TRADITIONS OF HUNGARY.**

By THERESA PULSZKY, with a Portrait of the Author. One vol., price \$1.25.

The above contains, in addition to the English publication, a NEW PREFACE, and TALES, now first printed from the manuscript of the Author, who has a direct interest in the publication.

"Strikingly illustrative of the manners and customs that have prevailed in different periods of her history, it is written with graceful yet dignified freedom."—*Albany Argus*.

"The stories are of a wild and fanciful character, which will cause them to be read with interest by all, while they really throw light upon the early history and manners of Hungary."—*Albany Express*.

"Some of them are exceedingly beautiful, and indicate the character and habits of thought of the people better than anything we have seen."—*N. O. Journal and Courier*.

"This work claims more attention than is ordinarily given to books of its class. The tales contain highly suggestive illustrations of national literature and character."—*London Examiner*.

**THE CAVALIERS OF ENGLAND;**

Or, the Times of the Revolutions of 1642 and 1688. By HENRY WILLIAM HERBERT. One vol., 12mo, price \$1.25.

"They are graphic stories, and in the highest degree attractive to the imagination as well as instructive, and can not fail to be popular."—*Commercial*.

"These tales are written in the popular author's best style, and give us a vivid and thrilling idea of the customs and influences of the chivalrous age."—*Christian Freeman*.

"His narrative is always full of great interest; his descriptive powers are of an uncommon order; the romance of history loses nothing at his hands; he paints with the power, vigor, and effect of a master."—*The Times*.

"They bring the past days of old England vividly before the reader, and impress upon the mind with indelible force, the living images of the puritans as well as the cavaliers, whose varied character and noble deeds lend such a lively interest to the legends of the times in which they lived and fought, loved and hated, prayed and revelled."—*Newark Daily*.

**THE KNIGHTS OF ENGLAND, FRANCE, AND SCOTLAND.**

By HENRY WILLIAM HERBERT. One vol., 12mo, price \$1.25.

"They are partly the romance of history and partly fiction, forming, when blended, portraiture from the correct drawing of the times they illustrate, and interesting from their romance."—*Albany Knickerbocker*.

"They are spirit-stirring productions, which will be read and admired by all who are pleased with historical tales written in a vigorous, bold, and dashing style."—*Boston Journal*.

"These legends of love and chivalry contain some of the finest tales which the graphic and powerful pen of Herbert has yet given to the lighter literature of the day."—*Detroit Free Press*.

"Mr. Herbert has a quick and accurate eye for the picturesque features of the romantic past. He pursues the study of history with the soul of the poet, and skilfully availings himself of the most striking traditions and incidents, has produced a series of fascinating portraiture. Whoever would obtain a vivid idea of the social and domestic traits of France and Great Britain in the olden time, should not fail to read the life-like descriptions of this volume."—*Harper's Magazine*.
