Most Europeans speak of America as they do of England, France, or Prussia, as one of the great countries of the world, but without reference to the fact that it covers a larger portion of the globe than all of them collectively. In like manner as the New England confederacy originally comprised the most enlightened and most powerful transatlantic provinces, and the inhabitants accidentally acquired the appellation of Yankees, so this term is very generally applied to all Americans, and is too often used as a national, instead of a provincial or a sectional soubriquet. In order to form an accurate estimate of the national humour, it is necessary to bear these two great popular errors
