A Mile in Less Tahn 53 Secs.

NEW ORLEANS, Feb. 25.—In a race against time this afternoon at the Fair Grounds, Caleb Bragg, in his Flat Cyclone, clipped several seconds off Barney Oldfield's 53.45 mile record for this track, covering the distance in 52.60 seconds. Bragg also won the five-mile free-for-all in 4.40.17.

The feature of the opening of the Mardi Gras Speed Carnival was the hour race, participated in by cars of two classes. Tower, in a Warren, Detroit, won the Class A event, covering 53 miles. Kulick covered 55 miles in a Ford and captured the large-car race.

Burman made an attempt to lower Bragg's record for one mile against time, but made only 53.09. He won one of the most exciting events of the day, however, when, starting from scratch in a field of thirteen cars, he captured first prize in the ten-mile handicap free-for-all in 10.18.41.

At Pittsburg, Monte Attell, formerly of San Francisco, and Phil McGovern of Brooklyn, fought six very tame rounds Saturday night in a no-decision bout. Attell had the better of it thruout, McGovern appearing to be out of condition.

The purses at these meetings will come close to $10,000, which will be away the best that Toronto has ever done for the harness horses, and the Dufferin Club are also to be heard from.

The Toronto Driving Club will hold their annual banquet at the King Edward Hotel on April 17.

Louisville Gets 23 Days' Racing.

LOUISVILLE, Ky., Feb. 24.—The state racing commission having granted Louisville's request for 23 days of racing, a modification of two days on the original 21 days sought, preparations for the coming spring race meet already are under way at Churchill Downs. Derby Day this year will come later than for many years, due to the lengthening of the Lexington meeting to 11 days, and will be run at the Downs on Saturday, May 13.

This race has on its list of eligibles the cream of the 3-year-olds, some now campaigning at Juarez and the Florida tracks, and others wintering in Kentucky. The illness of Secretary Lyman H. Davis has caused some delay in the announcement of plans for the spring meet, but he is expected to come here from his home at Rosedale, Ky., early in March to superintend the completion of numerous improvements at the track. The plans for converting Douglas Park into an automobile racetrack are not so far advanced as to prevent the quartering and training of the usual overflow of horses at that course, about a mile from the Downs.

The Racquet Championship.

NEW YORK, Feb. 25.—Reginald R. Fincke of the N.Y. Racquet and Tennis Club, won the national racquet championship title to-day, by defeating his clubmate, J. Gordon Douglas, three out of four games in the final match on the local court. There was a big attendance. Douglas made a fine showing in the opening game, which he won, and for the first half of the second, which was "set" at 13, he outplayed Fincke, but then the latter improved quickly while Douglas weakened and the match and title went to Fincke by the scores of 7—15, 18—13, 15—3 and 15—8.

New England League.

BOSTON, Feb. 25.—The annual meeting of the New England League of Baseball Clubs, held in this city yesterday, resulted in the adoption with only a few minor changes of the schedule of the coming season as submitted by the committee. The schedule provides for a total of 126 games for each club.

The members adopted an amendment to the constitution requiring that the president, manager and treasurer of each club join in a statement twice a month giving a list of players under contract and their salaries; failure to do which is to be punishable by a fine of $25 for each day of offense. It was voted also that no player may participate in more than five games before signing a contract.

In the absence of President Timothy H. Mornane, D. F. Clochey of Haverhill presided.

Golf Pro. for Brantford.

BRANTFORD, Feb. 25.—The match committee of the Brantford Golf Club has decided to appoint a professional for the coming season. George Knox of Hamilton, a young Scotchman, who learned his golf at Edinburgh. He is a very good player, twice last season having made the Hamilton course in 75. He will commence his duties here on April 15.
