EPIDEMIC AT FT. WILLIAM OFFICIALS ASKED TO RESIGN

Citizens Feel That Their Interests and Health Were Not Safeguarded as They Should Have Been.

Port Arthur, Feb. 6.—(Special.)—Citizens of Port Arthur and employes of the Canadian Northern presented General Superintendent Brown with a silver service and gold watch and chain, and Mrs. Brown with a gold necklace. A "smoker" was held in Oddfellows' Hall, which was attended by all business men and railway men, and the presentation was made to Mr. Brown.

A mass meeting was held by the citizens of Fort William for the purpose of discussing the fever outbreak, and it was decided to request the mayor and other officials to resign. The cause of the epidemic is said to be due to a portion of the intake pipe having been carried away last fall by a steamer's anchor. Above the intake was a sewer, and with the pipe broken the people have been drinking water contaminated with sewage.

Altho this was known to members of the old board of health, nothing was done.

STOMACH ON THE BRAIN.

What if a Man Gains the Whole World and Lose His Appetite?

The man with a well-behaved stomach never thinks about it. He eats what he likes and likes what he eats. He knows he'll enjoy it, because he knows he has a stomach that will easily digest it. All things look good to him; he will sit close to the table, and with a merry twinkle in his eye and a world-peace expression, he will "start" on the delicious meal before him.

But the man with the bad, brashy, gurgiy stomach is the man who is always thinking about it. He can seldom eat what he most likes, and seldom likes what he eats. His stomach worries him before meals, after meals and between meals. It is on his brain. It robs him of his cheer and interferes with his daily work. Around him is a dark spirit which presses itself forward in his thoughts, crying: "I am agony, I am disgust, I am nausea. I am sickness, languor, worry. I am conceival in quck lunches and pappy food, and nourished by gulpy meals. I rob brains of their force and bodies of their life. I steal away nerve and vim. I bring heart disease and apoplexy. I make the world a pit of weariness and darkness. I am woe, I am death, I am dyspepsia. But yet, I bring also hope, light and future health, because by my gloomy presence I give you warning and a chance to escape me."

This is a bad dream, but it is the daily dream of the dyspeptic. If it were not for the white we couldn't tell the black. If it were not for dyspepsia, we wouldn't know the joy, the happiness of a well-ordered digestion. All the world looks bright to a man of good health, and good health is impossible without a good, hardy stomach. And any sick or weak stomach can be made a good, strong one by just taking something which will digest your food for you, instead of letting your tired stomach do it. Stuart's Dyspepsia Tablets are the most effective little tablets in the world for this very thing. If you feel bloated after eating, or you have nausea, aversion to food, brash, irritation, sour stomach, heartburn or dyspepsia, Stuart's Dyspepsia Tablets will stop it because one grain of an ingredient of these tablets will digest 3000 grains of food.

Your stomach is overworked. Let it take a rest. You're not yourself when you have a bad stomach. These tablets will do the work that the stomach has to do and make you feel bright, think clearly and give you ambition and power to concentrate your attention on your work. You'll feel good. You should always have a box of Stuart's Dyspepsia Tablets on your dining table. They will make you get all the good possible out of everything you eat, and you'll enjoy it.

YORK COUNTY AND SUBURBS COUNCILLOR WILSON RESIGNS

Unseated on Technicality, But Will Be Able to Re-Contest—West York Orangemen Meet.

Toronto Junction, Feb. 6.—(Special.)—Councillor A. M. Wilson, representing Ward Five, handed in his resignation to Town Clerk Conron this afternoon. This morning Solicitor W. A. McMaster, on behalf of George E. Wright, appellant, served A. M. Wilson with copies of the quo warranto papers filed at Osgoode Hall. Mr. Wilson stated that after looking into the matter he found he was not qualified to hold his seat thru a technicality, and therefore had resigned. It appears that he filed his qualification papers on his house on Lakeview-avenue, and on The Tribune building, of which, however, he is only a sub-tenant. At the time of his qualifying there was a mortgage on his house, which did not leave $600, the sum required by law at its assessed value over and above all incumbrances. Mr. Wilson states that he is now in a position to qualify on his house property, and will seek re-election. It is understood that ex-Councillor Sam Ryding has been asked to oppose Mr. Wilson, but refused.

PUBLIC AMUSEMENTS.

Charles E. Grapewin, the funny comedian of "It's Up to You, John Henry," which comes to the Grand next week, is a humorist off the stage as well as on. The other day he was listening to a party of ladies and gentlemen who had recently toured Europe tell of their terrible suffering from seasickness on the voyage over, and when they concluded he announced that he had an infallible remedy for sea-sickness. "When you feel the nausea coming on," he said, with a lengthy pause, "go right out and sit under a tree for an hour and all traces of it will disappear."

A new melodrama, founded on western border life, entitled "Young Buffalo, King of the Wild West," will be presented at the Majestic Theatre next week. The production is entirely a new one, both in construction and ideas, and vastly superior to any produced at Blaney's this season. An exceptionally large and talented company will portray the many characters in the play, which is in four acts. The scenes are laid in Angel Gulch, Arizona.

After ten years, "Trilby" is to come back to us to the Princess for four visits, namely, on Wednesday and Friday nights and Wednesday and Saturday matinees, that same "Trilby" who for so long had the country figuratively at her feet. Wilton Lackaye is to appear here with his own company in a really magnificent revival of the piece. Mr. Lackaye, it will be remembered, was the original Svengali. On Monday, Tuesday, Thursday and Saturday nights Mr. Lackaye will present "The Pit."

FEEDING 5000 HENS DAILY.

Poultrymen at Guelph Are Told How to Do It.

Guelph, Feb. 6.—(Special.)—A poultry institute opened at the poultry department of the O. A. C. this afternoon is being attended by some of the best known poultry men from different parts of Canada and the United States.

The feature of this afternoon's session was an address by A. M. Hunter of West Roxbury, Mass., on "Dry Feeding." He presented figures which proved that by his dry feeding process, it was possible for one man to feed 5000 hens in one day, while by the old process it would give him trouble to feed 500.

This evening President C. C. Creelman formally welcomed the visitors, and Prof. James Rice of Cornell University, Ithaca, N. Y., gave an illustrated address, which dealt with the poultry industry in general.

Amongst the prominent poultry men present at the institute are: A. F. Hunter, Boston; F. C. Elford, Ottawa; A. W. Foley, Bowmanville; G. A. Robertson, St. Catharines; A. R. Hillhouse, Bondville, Que.; E. S. Terville, Gravenhurst; James E. Rice, Ithaca, N. Y.; L. H. Baldwin, Deer Park; T. Lawand, and Gabriel Emslie, Oakville; Wm. McNeil and John Saunder, London.

Dr. L. Norman Tucker, general secretary of the Anglican Missions, left the city last evening to attend the Montreal Synod meetings. He will look after the society's interests.
