INJURED AS HE LAUGHED.

Oscar Britton Was Joking With Driver When Fatally Hurt.

Corner Crawford on Saturday occurred an inquest into the death of Oscar Britton of Scarborough.

Fred Howarth, who was with Britton, said they were going north in the lane beside the Saturday Night Building. At the cross lane a railway lorry was backing out. Britton, laughing, grasped the tailboard and made a remark to the driver. He was slow in getting away, however, and was jammed between the lorry and the wall. At the hospital his pulse and temperature were normal, and the body bore no external marks of injury.

The postmortem revealed three broken ribs and lacerated lungs and liver. For the latter injury, surgery can do nothing and fatal results nearly always follow.

The enquiry was adjourned until Sept. 10 when the jury will hear testimony. Howarth's evidence exonerates him.

SOME SUBSTANTIAL INCREASES.

Quarter of a Million Ahead of Last Year's Record.

At the end of the seventh month in this year, the sales by the Slater Shoe Company had bounded forward exactly \$220,000 ahead of the sales up to the same period of last year. With four months to go on their fiscal year, the sales of the year 1907 will be over one million.

Passing "the million mark" places the Slater Shoe Company in the first rank of the larger Canadian industries. Making only higher shoes, the company stands alone in Canada. Its progress since the installation of Goodyear machinery has been phenomenal, and their success is attributable in a great part to a firm adherence to a high standard. The making of cheap shoes is left entirely alone, as the president, early laid down the axiom that one cannot do cheap work and high-class shoe making in the same factory.

These specific increases are interesting in view of the abnormal progress made in the five year period for which the government of Canada gathered statistical records. The stability of Canadian industries is assured, and investors find them as profitable to-day as are those which gave to Great Britain her commercial ascendancy, which began in the days of good Queen Bess.

LEWIS WIGLE HURT.

LEAMINGTON, Sept. 1.—Lewis Wigle met with a serious accident. He was riding in a harness wagon, his feet hanging thru the rack. In passing thru a gate a crosshead caught on the gatepost and was brought back with great force against one of his legs. Fortunately the horses stopped almost immediately, or his foot would have been torn off. As it was, he sustained a fracture below the knee.

To Save the Yellow Race.

VANCOUVER, B.C., Sept. 1.—Dr. Wilbur F. Crafts and wife have just arrived here from a tour of Japan, China and Australia, promoting a proposal that all civilized nations shall agree to prohibit the sale of all intoxicants and to un-civilized and newly-civilized nations.

A petition of ninety millions of people was officially received at the foreign offices in China and Japan.

GEO. GARDINER KILLED BY TRAIN AT WINONA

G. T. R. Brakeman's Shocking Death—Police on Look Out for Norman Grant.

HAMILTON, Sept. 1.—(Special.)—George Gardiner, a Grand-Trunk brakeman, whose home is thought to be in Delhi, but who runs out of Mimico, was killed at Winona about 6 o'clock this morning. It is supposed that while his train was waiting for another one to pass he went to sleep on the station platform, and that leaping too far out he was struck by a passing train. His body was terribly mangled. Coroner Bailew of this city ordered an inquest for to-morrow morning at Day's undertaking rooms.

The police have been asked to be on the lookout for a young man about 18 years old, bearing the name of Norman Grant and claiming relationship with Mayor Coatsworth of Toronto. Young Grant is alleged to have stolen a horse and buggy from Beaverton, and \$24 from E. Twiss of Woodburn. It is said that he stole the horse and buggy about two weeks ago, and that he drove to Woodburn, where he hired with Twiss. He did most of the housework, but a few days ago left without notice, the money being missed after his departure. He is said to have driven in the direction of Stoney Creek.

The police have been notified of the escape of two boys from Mimico industrial school. One is named Duffy of Hamilton, and the other is Roddy of Toronto.

Canon Webb of Alberta preached the morning sermon, and Rev. Sub-Dean Sutherland in the evening. Since the opening of the church fifteen young men have been ordained from the congregation. During the week several of them will conduct services.

COAL BARONS MAKE REPLY TO FEDERAL GOVERNMENT

Agreement to Advance Price of Coal Brought About by Violence of Mine Workers.

PHILADELPHIA, Sept. 1.—The Reading company, the Philadelphia and Reading Railway Co., and the Philadelphia and Reading Coal and Iron Co., have filed their answers to the suit of the federal government to break up the alleged monopoly existing in the anthracite coal regions of this state.

It is declared that the agreements to advance the price of coal were brought about in 1900 by the violence and intimidation of the striking mine workers by the failure of the United States government and State of Pennsylvania to enforce the law and protect the coal companies and the importunities of the late Marcus A. Hanna, who, it is alleged, was anxious to end the strike of the miners on account of the impending presidential election.

SLEUTH'S SKILL STOPS SLICK SILVER SWINDLER

Big Fraud at Niagara Falls Will Be Investigated by Postal Authorities.

NIAGARA FALLS, Sept. 1.—(Special.)—Jacques Erlanger, a thick-set man, who hails from Philadelphia, was arrested here Friday, on the charge of operating a huge silverware swindle. The postoffice authorities are now in possession of a prize which would be the winner of a \$1000 sent by Canadians, who were duped by circular letters.

During the past few weeks, men, women and children over the country have been receiving letters from the Rogers Manufacturing Co. of Niagara Falls, Ont., stating that the addressee was the winner of a prize which would be sent to him if 37 cents were forwarded for packing and postage.

Hundreds of people were taken in and sent their money to the postoffice where the Rogers Manufacturing Co. No one called for a long time.

On Friday morning a woman called and asked for letters for the above address. She left without them. In the evening Erlanger called and was taken in by the detectives.

It is believed this is the same swindle that was worked with success in Montreal a short time ago.

The postal department will conduct the prosecution.

GERMAN OFFICERS WERE HONORED BY BANQUET

Local Deutscher-Verein Entertain Visitors From Imperial Warship.

Oberleutnant (first lieutenant) Zur See R. Stosch, Oberleutnant zur See Guttman and Marine Ober-assistent Artz (first assistant) Dr. Amelung, officers of the German mine ship, arrived in the city yesterday afternoon at 4.30 o'clock, and were received at the station by leading members of the German Club—the Deutscher Verein. They were taken to the King Edward Hotel, and from there, in automobiles, proceeded upon quite the inspection of the city.

At 8 o'clock in the evening these gentlemen were banqueted at the club building, at the corner of Church and Wood-streets, Emil Nerlich of Nerlich and Sons, president of the club, being chairman, and J. Henry Peters, first vice-president, vice-chairman.

The following toasts were duly honored: "Their Majesties King Edward and Empress Wilhelmina, 'The City of Toronto' and 'Our Guests.'"

During his reply, Herr Stosch said that in Montreal they had been told that Toronto would be found to be the worthy of little attention, but as a matter of fact the architectural and scenic beauties of this city had filled them with agreeable surprise, and on their return they would inform their Montreal friends that compared with the Queen City of the West their metropolis was in no respect "in it."

The party will take the early boat for Niagara Falls this morning, returning by the night train to rejoin the Bremen, which sails on Wednesday, Sept. 4. Had not been for Sunday, the mayor would have been present at the banquet last evening.

These gentlemen regretted very much that the shortness of time at their disposal prevented a visit to the exhibition.

The Bremen carries twelve officers and 600 men on a round-trip around the world from the Jamestown Exposition.

The Grand Old St. Lawrence Trip is best known by starting at the Grand Trunk Railway to Kingston, and then, and avoiding the lake ride.
