Every day in the week and every week in the year men, women and children are suffering from nervousness brought on by their efforts to keep up to the modern "high pressure" mode of life necessary to this age.

Thousands find life a burden and others an early grave.

Overwork is often the cause, as it strains the Nervous System and causes Nervousness, Sleeplessness, Nervous Prostration, Faint and Dizzy Spells, and General Dability.

The blood becomes weak and watery and eventually causes decline.

Milburn's Heart and Nerve Pills are indicated for all diseases arising from a

weak and debilitated condition of the nerve centres.

From the Atlantic to the Pacific we are receiving letters from people who have used Milburn's Pills with great benefit.

Here are two. Others will be sent on application.
