AT SMITH'S FALLS.

A WONDERFUL CURE OF BRIGHT'S DISEASE.

So Weak He Couldn't Stand—Terribly Bruised and Unable to Find a Cure—Dodd's Kidney Pills Made Him Well.

Smith's Falls, Aug. 8.—(Special).—The cure of Mr. Theodore Young of this place is a wonderful example of the progress that medical science has made in the last few years.

Up a short time ago the doctors claimed that Bright's Disease was absolutely incurable, and in fact there are a few who still adhere to this theory.

But Bright's Disease is not incurable. Dodd's Kidney Pills will cure this terrible malady, and have done so in thousands of cases.

Those who are skeptical need not go farther than this town to find proof. Mr. Young makes this statement:

"I was afflicted for about two years with Kidney Trouble and chronic Bright's Disease. It was very dark and I lost considerably blood, making me so weak that I could scarcely get up stairs."

"After using the first box of Dodd's Kidney Pills I was much better, and when I found I was not cured I bought another box. I had not done for some time previous."

"I had been recommended Dodd's Kidney Pills to anyone afflicted as I was."

Mr. Young's case is only one of a great many where Dodd's Kidney Pills came to the rescue after everything else had failed. It has cured many cases of Bright's Disease and restored to life and health men and women who had not expected to ever again enjoy this great blessing.

Dodd's Kidney Pills having demonstrated their ability to grapple with Kidney Disease in its very worst form—"Bright's Disease"—can certainly be depended on to cure any of the lesser forms.

Dodd's Kidney Pills are the only medicine that has ever cured Bright's Disease.

A FAMOUS HAT STORE

50c and 1.00

It's not price we're after—or stylish. Straw Hats—worth 2.00 and 2.50—wouldn't be selling at 1.00—and other good stylish sailors—worth 1.00 to 1.50—wouldn't be selling at 50c—we don't want to carry a straw hat past the season—so that these next-to-nothing prices are put on them to force them out—and most any man could afford to throw away his old hat and buy a new at these figures—
