

# RACING IN EAST OPENS TO-DAY AT AQUEDUCT

Jack Atkin Will Start Favorite For  
Carter Handicap—Results  
and Entries.

NEW YORK, April 14.—With the Carter Handicap at 3 furlongs as the feature event, the Metropolitan racing season of 1910 will be inaugurated to-morrow at Aqueduct. Seventeen sprinters are entered for the Carter with Jack Atkin a ruling favorite. The race is the fourth of the program, and will be for a purse of \$200.

Indications are for a successful season, despite the stringent anti-betting laws. The Jockey Club, it is said, will throw on any spectacular plunges in the race this spring and summer in order to avoid any friction with the authorities and judging by the present indications there will be little or no interference by the police or co-officers until more definite action is taken in the legislature on the new anti-betting bill.

The tracks at Sheepshead Bay, Gravesend, Belmont Park and Aqueduct were fairly alive with horses during the early hours of the morning, and the going was in such good condition that "half miles" in 20 seconds were common. Many two-year-olds are in a forward condition and races for the youngsters are sure to fill well.

The Westchester Racing Association announced yesterday its spring season of 1910, with \$100 added, and the Grand National Steeplechase, with \$100 added, to be run at the spring meeting at Belmont Park, would close on April 25. An attractive program of overnight races for the jumpers is being arranged, so that followers of this branch of the sport will not lack for entertainment.

The Coney Island Jockey Club is considering the advisability of putting on three or four hurdle races, to be run over the turf course.

The leading owners who have been racing at the winter tracks are as follows: J. G. Bedwell, 46 winners and \$17,000; F. J. Pons, 21 winners and \$12,425; Barney Schreiber, 11 winners and \$11,150; F.
