

# ANNUAL REPORT

—OF THE—

## Session of St. Andrews Church for 1887

—o—

**T**HE SESSION of St. Andrews Church desires, with gratitude, to acknowledge the goodness of God to them as a Congregation during the past year.

The large accession to the membership, and the large and increasing attendance on public worship, rendered it necessary that a new and more commodious building should be erected, which has been accomplished, at a cost of over \$11,000.

The new and beautiful Church, will, it is expected, furnish ample accommodation to the Congregation for many years to come.

Peace and harmony have prevailed; and the Sabbath School, and all the interests of the Congregation are in a fairly prosperous condition. During the year there have been thirty-one Baptisms, and thirty-four new Members have been added to the Church, while ten letters of disjunction have been given.

While the Session has much cause for rejoicing, they have to lament the unusually large number of Deaths in the Congregation. No less than twenty Members and Adherents having been removed by death during the past year.
