News of Maritime Men In The War

Lieut. Tom Flanagan of the 146th, along with Moncton Friday for Valcartier. Lieut. Flanagan's squad are A. B. Blevins, Donald Hickey, Ralph Crawford, Harley McKinley, Joseph McKinley, J. A. Kinnle, Oscar Bennett, Jos. Barbour, Truman Kinnle, Lloyd Bennett, Tyler Reid, Elmer Tingey, Roy Ponsy, Peter Thomas, Ira Wilbur, Curtis Anderson, C. B. Upham, and Harry Garland. They are a credit to Albert county. With them went the following recruits from Moncton: Albert Crossman, Murray Baisard, J. H. Douthright, Frank Mills, Haddon Atkinson, Bruce Barnes, William O'Shea, W. P. Tushie, Guy C. McLean, Ernest Robinson, George Martin, Ed. S. Tushie, Charles Gilchrist.

The 236th Battalion.

Eight recruits for the 286th Overseas Battalion were secured at St. Stephen Thursday through the combined efforts of Lt. Col. Gulliford, Major Geggie and Capt. the Rev. G. M. Campbell.

A fatigue party from the 286th Battalion commenced Friday to put the Park Barracks at Fredericton in shape for occupancy. The plans of the battalion call for the Park Barracks to be used as a hospital, but during the organization period it is proposed to use the lower floor of the building for the quartermaster's stores and the uniforms and equipment will be issued to the recruits from there. Later on the entire building will be occupied as the military hospital.

Orders were received Friday for Capt. J. D. Black, quartermaster of the Kliffers, and a party to proceed to Aldershot camp in Nova Scotia, next week for a period of training with the 88th Overseas Battalion, Nova Scotia Highlanders. It is expected that Q. M. Sergt. Gilmour, now completing a course at the Ordnance Corps stores in St. John, will be one of the party going to Aldershot, and others may be included.

Fredericton Recruits.

Nineteen recruits have enlisted in Fredericton since the beginning of the present week. On Thursday Berton Banks, 27, of Gibson, enlisted with No. 8 Field Ambulance, and Frank Clayborn, of Barker's Point, with No. 2

Construction Corps, which is to be composed of colored men. The latter is the third volunteer to enlist for that unit this week.

One of Three Was Killed.

Private Walter Douglas Goldrich, one of three Springhill, N. S., brothers who enlisted for overseas service, was killed in action in France on June 2nd. Private Goldrich went overseas with the First Canadian Expeditionary Force. When he was killed he was serving as a member of an Upper Canadian unit. He was twenty-three years of age. One of his brothers, Private Oscar Goldrich, went overseas with the 40th Battalion and another, Private Arthur Goldrich, crossed with the 64th. Both are now at the front.

The Goldrich case is the second in which one of three Cumberland brothers serving in the Canadian forces has been killed. A week or so ago word was received that Private Cecil L. Smith, son of Mr. and Mrs. Sydney Smith, of Nappan, who have two other sons in khaki, had made the great sacrifice for Canada and the Empire.

Three Killed Beside Him.

For the third time since he reached the front Pioneer Roy Moffatt, son of Mayor Moffatt and Mrs. Moffatt of Amherst, has seen the carnage at his very side struck down by a German missile while he himself escaped unscathed.

A letter received from Pioneer Moffatt by his parents this week brought word that one of his closest chums in his battalion had been killed by a fragment of German shell while working by his side. Previous letters had told of two similar incidents when Pioneer Moffatt went unhurt though the men beside him had been killed. So far, the Amherst boy has borne a charmed life.

Home on Leave.

Sappers Boswell and Ross Malcolm of Campbellton, who have been at the front with the C. P. R. Construction Corps are sons of Thomas Malcolm, who built the International railway and are now on leave for a few months to visit their home.

One of Five Brothers.

Colonel Panet, chief ordinance officer of No. 6 Military Division, who had been inspecting the stores of No. 4 Pioneer Battalion at St. John, is one of five brothers serving the Empire in khaki; three of them are at the front.

LOCAL NEWS

ON INSPECTION TRIP.

H. C. Grout, general superintendent of the Atlantic Division of the C. P. R., left this morning for an inspection trip over the northern lines of the division. He will be away for several days.

FOR SOLDIERS' COMFORTS.

The Brookville girls' circle of the Soldiers' Comforts Association took advantage of the half-holiday and the Drury-Cove Renforth tennis tournament to add to their funds on Saturday. Ice cream was offered for sale and a neat sum was realized to aid in their work for the boys overseas.

SOLDIER'S MEMORY HONORED.

A deeply impressive memorial service was held last evening in St. Mary's church, in honor of the late Gunner William Hunter, who was killed in action. The solemn Church of England burial service was followed and the "last post" was sounded. In the course of the service, a tribute to the soldier was paid by the curate, Rev. R. T. McKim, who officiated. Gunner Hunter was a veteran of the South African war and went overseas for this campaign with Major Magee's battery.

A NARROW ESCAPE.

A suburbanite had a narrow escape from death beneath the wheels of a train this morning. When the early Halifax train arrived at Kingshurst station, two young men were running towards the train. The train did not wait, but they kept on running and the first managed to get on board before the train had gathered much speed. The second was a little farther behind and, by the time he reached the platform, the train was going at almost full speed. He made a jump, caught a railing and, as spectators watched with horror-stricken gaze to see him ground beneath the wheels. However, it takes a lot to kill a suburbanite, and the young man made a quick recovery, got a fresh grip and pulled himself aboard, suffering only the loss of his hat.

PAINTED IN PARK.

The young lady who was found in Riverside Park last evening in a state of collapse and who later was removed to the General Public Hospital, was reported today to be perfectly normal again. The girl, it is said, was making her way from the park to the home of a Mrs. Brown with whom she was boarding and who lives near the Murray and Gregory mill, when she suddenly became nervous and was seen to fall to the ground. The loneliness of the path from the park to where she was going seems to have caused her to lose control of herself and she collapsed. Her parents, who live in the country, were notified of the fact and it is understood that she will be taken home today. The hospital authorities say the girl is not unusual in her condition today and nothing, beyond the theory suggested, can be given in explanation of her action last evening.

BOY BURGLARS BEFORE THE JUVENILE COURT

Caught in Store Last Night and Admit Other Burglaries—Run-away Lads to be Sent Home

In the juvenile court this morning, Magistrate Ritchie had a number of youthful lads before him on various charges. The three boys who were found in the bakery shop of James Main, 228 Brussels street, by the police on Sunday night, pleaded guilty to the charge of breaking and entering into the premises, where they were discovered. By the arrest of these boys the mystery surrounding the recent break-ins into the stores of the Union Blend Tea and of Alexander George were cleared up. Two of the youths admitted having burglarized these places last week, and the other boy was held as a witness. The parents of the boys were in court and the magistrate strongly reprimanded both the boys and their guardians. The three boys were allowed to home under the guidance of their parents.

Two other lads were found in the Canadian Government yards late last night by Detectives Barrett and Briggs. This morning, in the juvenile court, they were charged with vagrancy, and not giving satisfactory accounts of themselves. They told the court that they were brothers and were running away from their father in Halifax, and said they were on their way to the states when the detective caught them. They were ordered to be sent back to Halifax today. The city detectives escorted the boys to the station at noon on their way back to Halifax. The boys said they were Polish.

DRURY COVE WINS FROM RENFORTH AT TENNIS

Drury Cove won from Renforth by a narrow margin in the return tennis tournament played on the Drury Cove courts on Saturday afternoon. Play was close throughout and the events were hard fought. The result was a victory for Drury Cove by their winning four events to the visitors' three, although the count by points resulted in a tie. The play was as follows:—

Doubles.

H. S. Morton and A. G. Burnham vs. H. Drummie and O. C. Clark, 6-8, 2-6.

M. Gregory and O. A. Burnham vs. W. Bagnall and C. B. D'Arcy, 7-5, 3-6, 1-6.

C. Murray and A. McKee vs. T. Drummie and T. Simpson, 6-1, 6-0.

O. A. Burnham and L. V. Frise vs. G. Dishart and H. W. Wilson, 6-7, 3-6, 6-8.

Mixed Doubles.

C. Murray and Miss E. Currie vs. A. C. Clark and Miss H. Dishart, 6-1, 6-0.

A. McKee and Mrs. H. Tapley vs. J. H. Drummie and Miss J. Knight, 5-7, 6-4, 6-3.

L. V. Frise and Miss Z. Morton vs. W. Bagnall and Miss K. Dishart, 8-6, 3-6, 4-6.

Events—Renforth, three; Drury Cove, four. Points, Renforth, 83; Drury Cove, 88.

One, General Panet, being chief staff officer of the First Canadian Division.

The Second to Enlist.

Jack McDougall, a well-known Moncton boy, has enlisted in Vancouver, B. C., with an artillery unit. Pte. McDougall, who is a son of the late Fulton McDougall, is the second son of the McDougall family to enlist. He was only 18 last October.

THE MIRAMICHI SALMON FISHING

Good Luck and Good Catches Mark Season

"OUTLAWS" ARE PROSPERING

Drift Schooners, Sent Beyond Three-Mile Limit to Prevent Competition With Trap Nets, Are Ample Rewarded

The salmon fishing on the Miramichi—the season for which ends next week—has been successful this summer, and the fishermen have received good prices for the first.

In former years most of the salmon were caught in trap nets set off the shore of the bay, in the same manner as they are caught farther up the river. It has been found that the fish were more plentiful at the mouth of the bay and the nets set from drift boats made much larger catches. Those who still retained their stands along the shores objected to this, contending that it kept the fish from reaching their weirs and interfered with their chances. The government accordingly informed the drifters that if they wished to continue this method of fishing they must get beyond the three-mile limit, where they would be beyond all jurisdiction. Nothing daunted, the now "lawless" fishermen set out on the "high seas," where they found the salmon are still more plentiful than right at the mouth of the river.

These "outlaws," as the fishermen are pleased to call themselves, fish without any license in what they call "German waters," and are kept outside the line by a government cutter, which accompanies the fleet every night. It is indeed a pretty sight to see the fleet, consisting of more than twenty schooners, leaving Esquimaux in the evening with their sails set, accompanied by a chunk-chunk of the auxiliary motors, as they go out to join the other fishing smacks gathered from all quarters of the bay, being in all between sixty and seventy schooners, to spend the night apparently lying in clear moonlight, idly set out on their dashing career and, when the nets are taken up at daylight, the number of fish taken, which sometimes reaches as high as the 200 mark, amply repays the fishermen for their night's repose on the water.

As each set of nets reaches for more than three-quarters of a mile on the average, care is always taken to have each set a reasonable distance from any other boat, but it often happens that when two sets are set out quite close together, they are a considerable distance apart in the morning and at other times the wind and tide may cause the whole fleet to be tangled up, so that some of the nets have to be cut away, or perhaps a vessel making the mouth of the river at night cuts through a set of nets, but these misfortunes are all in the game.

The salmon are landed in the morning at Esquimaux and other points, loaded and shipped to the American markets. At Esquimaux alone as many as 3,000 salmon were landed in one day this season. While most of these are shipped frozen, some are canned in the local canning factory. There should be good prospects for Miramichi salmon put up in this way, as they are far superior to the Fraser river salmon, and, indeed, it is hard to find salmon anywhere that can surpass the flavor of the North Shore fish.

ARCHDEACON RAYMOND TENDERS RESIGNATION

Rector of St. Mary's Church Sees No Prospect of Resuming Duties—Action by Vestry Delayed For a Month

The resignation of Venerable Archdeacon W. O. Raymond, D. D., rector of St. Mary's church, has been placed on the vestry. Dr. Raymond, who has been rector of this church for many years, and who during that time has won a place in the regard of all the citizens of St. John, is suffering from ill-health and, in a letter accompanying his resignation, he says that he sees no prospect of being able to resume his duties.

The resignation was laid before a meeting of the vestry and, after careful consideration, it was decided to delay action for a month.

At both services yesterday, Dr. Raymond's resignation and the accompanying letter were read to the congregation. Dr. Raymond is now at Ann Arbor, Mich., with his son, Rev. W. O. Raymond, Jr.

SAINT COLUMBA PICNIC

What is said to have been the most successful picnic ever held by St. Columba's Presbyterian church, Fairville, was enjoyed at Westfield Saturday afternoon. With ideal weather, the half holiday pleasure seekers and the usual Sunday school children, who can always be counted on, filled the noon train to overflowing, while the morning special was also well patronized.

The usual picnic sports were hotly contested, the following being prize winners: Air gun—Mrs. Clifford Atkinson. Bunnet in the hole—Mrs. Thomas. Medals on the block—B. Hanson. Bowling alley—Mrs. Mullin. Ladies' bean bag—Mrs. Wm. Stinson. Gents' bean bag—Martin Mullin. During the afternoon races were held for the kiddies. While it is too early yet to estimate the financial results, a church official said this morning that it was believed returns would be most satisfactory.

Macaulay Bros. & Co., King Street, St. John, N. B.

Stores Open at 8.30 a.m.; Close 6 p.m. During June, July and August Open Till 10 p.m. Friday. Saturday Close at 1 o'clock
