Wednesday & Thursday Special Showings of the New Autumn Coats and Frocks

You are invited to view these New Garments as this Exhibit will include Styles and Fabrics sponsored by the World's Greatest Fashion Centres.

And this season in addition to this comprehensive display of Exclusive Models, we will feature the largest and most varied collection of medium priced Coats in the history of this store.

Visit the Ready-to-wear Section, Wednesday and Thursday.

The New Accessory Adds Its Note of Charm

With the new modes in frocks and wraps come, too, the fascinating new Accessories, marching right into the scheme of things. And how very important they are! Sometimes a pair of slender slip-on Gloves is all that a costume needs to give it finish—or brightly cuffed ones to add gaiety. A Silk Umbrella, a Leather Pouch Bag, a wee Kerchief or two and the costume is complete.
