## TENSION EASES AT HANKOW WITH POLICE CONTROL

(Continued from page 1)

of assertions published by the newspapers in every part of Europe that British prestige has been irreparably damaged throughout the far east owing to the incidents at Hankow. The criticism directed at Chamberlain by European newspapers and by antagonistic writers at home is said to be disturbing the Foreign Minister's equanimity with the result that the British attitude is stiffening. In official circles here today it was stated that the British have no intention of being driven out of their concession at Hankow by the hostility of the Chinese, while Chamberlain looks about for a scapegoat. It is considered likely that since his handling of the Chinese situation leaves him open to the severest criticism, he might now be persuaded to take a step which he previously strongly opposed, and that is break with Russia, although the cabinet is known to be hopelessly divided on the Russian question.

### BIRKENHEAD'S VIEW.

Sir William Joynson-Hicks, the Home Secretary, and Lord Birkenhead are said to be in favor of kicking the Soviet representatives out of England, while the Foreign Secretary has urged that no good could come of such a move, that it would only damage British trade and open the floodgates of Soviet propaganda and intrigues in India, China and Turkey against Great Britain. Premier Baldwin, it is declared, supports Chamberlain's view in a half-hearted manner, but now that the pressure has become so great and insistent, there is much speculation as to whether the Prime Minister will continue to give such support, which is essential if Chamberlain is to maintain his present viewpoint.

### Legal Battle Over Indian Citizenship

PHILADELPHIA, Jan. 8.—A legal battle to determine whether North American Indians are to be treated as aliens, when entering the United States from Canada, or accorded the rights under treaties nearly 200 years old, opened in Federal Court yesterday. Paul Diano, a full-blooded Iroquois, is the central figure in the test case. The principal question involved being whether the immigration act of 1923, can "by implication" repeal the treaty of 1793. Standing staunchly behind Diano is the Six Nations, a confederation of the big Indian tribes of North America, the most powerful of which is the Iroquois. Diano was ordered deported last March by the immigration authorities.

### MILES IN TRAINING

NORTH SYDNEY, N. S., Jan. 8.—With the Boston marathon nearly four months away, Johnny Miles, record holder and winner of last year's 26-mile jaunt over the hills and dales of Greater Boston, has started training. On Thursday night he made his first appearance on the hilly thoroughfare between North Sydney and Sydney Mines over which he did the greater portion of his training last year.

YARMOUTH POLICE STATISTICS READY  
Total of 267 Cases Before Court in 1926—Fines For Year Fairly Light

Special to The Times-Star  
YARMOUTH, N. S., Jan. 8.—Police court statistics for the town of Yarmouth for the year ending Dec. 31, 1926, have just been given out by Stipendiary Magistrate Pelton. They show that during the year there was a total of 267 cases before the court. Of these, 188 were trials, while 188 were of a miscellaneous nature, disposed of on verbal charges without fines, imprisonment or costs.

During the year there were 15 cases under the Nova Scotia Temperance Act and out of that number there were 10 convictions. Twelve drunks were tried for the year and all were convicted, while five others were convicted for being drunk and disorderly.

The sum of \$916.75 was collected in fines and costs and paid to the town treasurer, while fines totalling \$220 were paid to the provincial treasurer. Fines and costs amounting to \$953.50 were imposed, but not collected and the defendants were committed to jail. Four children were committed to the care of the Children's Aid Society, one was sent to the Provincial Home

## GOOD THINGS COMING TO THEATRES OF SAINT JOHN

## A BIG MIX-UP AT IMPERIAL MONDAY

A temperamental and flighty movie star; a pretty blonde shop-girl who resembles her; a hard-working press agent; a cynical, humor-hunting reporter; a nouveau riche Romeo; a picture producer fearful of his star's conduct; the jealous husband of a movie star and an ambitious young cigar clerk—this is the odd mixture of personalities in the cast of "Her Big Night," the Universal production in which Laura La Plante is the star, which comes to the Imperial Theatre Monday and Tuesday. All these varied characters combine to make up what is declared to be one of the funniest farce comedy productions of the season. Miss La Plante is now one of the prime favorites of moviedom. The Imperial will also have a scenic trip review of the big events of 1926 and the Acropolis Fables.

## QUEBEC ELECTIONS EXPECTED IN MAY

Montreal Gazette Says Dissolution to Follow Prorogation

MONTREAL, Jan. 8.—A Quebec special to the Gazette says: "General provincial elections have been definitely arranged to take place in the middle of May. Dissolution of the House is expected shortly after the prorogation of the session, which will open next Tuesday, according to Liberal organization headquarters. The session will probably last until the first week of April, so that little time will be available for the campaign."
