WANTS BOSTON TEAM TO PLAY ST. PETER'S HERE

To the Sporting Editor of The Times:—I understand that the proposed games between St. Peter's, leaders of the City League, and a strong team from Montreal, which were to have been played on July 1, have been cancelled. May I suggest that the Saints try to get

Rowing Club Formed.

At a meeting of citizens interested in rowing, which was held in West St. John last evening, the St. John Amateur Rowing Club was organized. J. A. Gregory was elected honorary president; Harry A. Belyea, president; J. Firth Brittain, vice-president; Hugh L. McCavour, secretary-treasurer. The object is to promote and encourage amateur rowing and assist in sending representatives to compete in events in other cities. It was decided to send Hilton Belyea, maritime champion, to Boston to enter the New England championships to be held on July 4; also the winner of the junior race at Millidgeville on Dominion Day, to enter the intermediate events. Granville McCavour, the local boy wonder, will accompany them to compete in the junior championships.

CRICKET.

St. John C. C., 68; Chaudiere, 56.

The St. John Cricket Club eleven won from the R. M. S. P. Chaudiere team, 68 to 56, in their game on the Barrack Green, yesterday. The game had to be called at 7.30 before the Chaudiere team had completed its second innings, so the scores reverted to the first innings.

A return match will be played on the Barrack Green, Thursday afternoon, starting at 2.30.

IMPERIAL--DOROTHY DALTON IN BARRIE PLAY

Picturedom's Most Alluring Society Actress  
IN SIR JAMES BARRIE'S NOTED DRAMA

"HALF AN HOUR"

DOROTHY DALTON HAS PROBABLY THE MOST APPEALING ROLE OF HER CAREER in "Half an Hour," her new picture, which we are showing today and Thursday. It was adapted from the famous play of the same name written by Sir James M. Barrie, author of "Male and Female," "Peter Pan," and many other well known successes. The story is about a beautiful young English girl who was practically sold by her father when she became the wife of a millionaire. Practically a stranger in her husband's house, she sought relief in the company of another and more alluring man. Finally she decided to run away with him. Then came the dramatic event that in a few minutes changed three lives forever.

a strong team from Boston or some other city for games here on July 1 and 2. They are sure to attract large crowds and more than expenses. I do not think games with local teams would keep the fans in town. A team from Boston could play games Friday and Saturday and leave in the Governor Dingley on Saturday evening. Hoping that my suggestion will be given favor-
