### MOTOR CARS MAY USE THE MAIN TRUNK ROADS; MORE WORK PLANNED

Supervisors of the roads in the district around St. John bounded by Sussex, Welsford and Oak Point, have reported that the frost is pretty well out of the trunk roads, and, consequently, the ban on motor-car traffic over these roads will be lifted this afternoon. The branch roads still show the effects of the frost and are not yet ready for traffic of this description.

The provincial road engineer, B. M. Hill, has inspected the Tarvis construction completed in the Marsh road last year and has found that it stood up under winter conditions and now is in excellent condition. He has arranged with the Barrett Company to proceed with the work in the Brookville section on Monday next.

The road engineer and E. S. Carter also inspected the road between Ferryburn and Robbsey and found it in good condition. Robbsey people are urging strongly that the Tarvis surface should be extended to their village and this is under consideration by the department.

### About forty were present at the fortnightly meeting of Marlborough lodge, S. O. E., last night and passed a very enjoyable evening.

### Pale Cheeked Women Told About Restoring A Rosy Complexion

A few years ago the girl with pale, drawn cheeks scarcely knew what to do in order to restore her fading appearance. At that time there was no such thing as a skin cream that really would put color and strength into systems that were more or less worn out.

Today it's different. The blood can be quickly nourished, can be made rich, red, and healthy. All you have to do is take Ferrozone Tablets with a sip or two of water after meals. The effect is almost magical.

Mothers, look at your children. Are they ruddy and strong—do they eat and sleep well, or are they pale, weak, and anemic?

FERROZONE will rebuild them. Take your own case—is your blood strong and rich? Have you that old-time strength and vigor, or are you somewhat under the weather?

FERROZONE will supply strengthening elements you require. It is a blood-forming, nourishing tonic that makes every ailing person well.

FERROZONE is a marvellous remedy. It contains in concentrated form certain rare qualities that expedite recovery from cases of anæmia, poor color, thin blood, tiredness, and loss of weight.

Every day you put off using FERROZONE you are making your recovery to-day, sold in 50 cent boxes by all dealers, or by mail from the Catarrhose Co., Kingston, Ont.

### THERE IS DANGER IN TENDER GUMS

To preserve healthy teeth the ordinary tooth-paste is futile. You must first care for the gums, on which tooth health depends.

How many people think of this? Yet four out of five people over forty suffer from gum-disease, or Pyorrhœa (Riggs' Disease).

Pyorrhœa, if used in time and used consistently. This means that it prevents gum-disease, gum-tenderness, gum-bleeding. So, automatically, Pyorrhœa prevents tooth loosening.

Brush your teeth with it. It scientifically cleans the teeth—keeps them white and clean.

If gum shrinkage has already set in, start using Pyorrhœa and consult a dentist immediately for treatment.

30c and 60c tubes. All Druggists.

Mr. Trenholme, of the Glory Oil Company, gave me a small bottle of Glory Oil, which I used according to directions, when the pain disappeared and I have not been troubled with it since.

### REMEMBER OUR DEAD

A special Easter service was held in Roxbury Presbyterian Church, Boston, on last Sunday, in memory of those who died in the great war. Miss Margaret Hunter of Boston, formerly of St. John, gave special flowers in memory of the boys of St. John, New Brunswick, who gave their lives for their country, with the flowers was the following—

"Not for self, but all for justice And for honor true and bright, 'Twas for these they gave their hearts' blood, When they perished in the light."
