Few people realize how large is the proportion of headache directly due to strained eyes. When you have a headache don't drug yourself to death. The pain but have the cause of the headache removed.

You can't remedy eyestrain by going into a store and buying a pair of glasses as you would a pair of shoes.

BUSINESS IS AGAIN STARTING UP IN WINNIPEG

Winnipeg, May 22.—Aggressive resumption of commercial enterprises in Winnipeg which had been paralyzed by the general strike of union men began this morning, while high government officials were conferring with union leaders regarding a settlement of the industrial disagreement. The general strike has been in progress one week.

PORT WILLIAM

Port William, Ont., May 21.—Reports brought down from Winnipeg yesterday indicate that General Ketchen is looking to be by the suffering people of Winnipeg to become the "Old Hansen" of the Winnipeg strike.

FOR MANY DAYS THERE HAS BEEN A

flocking of men of all classes to the barracks where they have been drilled and taught the first principles of organized action as a body of amateur police and on Tuesday night it was announced that General Ketchen had decided that when the moment had come he would send out the street cars through the city under armed guard with instructions that any attempt at interference was to be met with rifle and machine gun fire.

PASSENGERS ON THE TRAIN WHICH ARRIVED

yesterday morning said that the prospect of action was welcomed by the majority of people and that the feeling of indignation against the civic authorities, the mayor of Winnipeg and the authorities at Ottawa was intense. They said that Senator Robertson would be called upon by the citizens committee rather than by the strikers committee to make full explanations regarding the inactivity of the government and that his difficulties might be rather with the public than with the strikers.

THEY SAID THAT SENTIMENT AMONG THE

war veterans was divided, but the large preponderance of foreigners among the strikers, though the strike leaders are English speaking was tending to turn the tide of opinion among the returned men to the side of the citizens.

A TRAVELER FROM VANCOUVER WHO SPENT

the last few days in Winnipeg, said that the eyes of labor in the west were on Winnipeg, and that collapse of the Winnipeg strike would mean the allying of much unrest in the west while its success would mean a general tie-up.

R. trainmen and as yet fails to find any who favor a sympathetic strike. The general feeling expressed would indicate that they believe the sympathy strike has gone far enough."

NO PEACE, SAYS LENINE, TILL WORLD ONE BROTHERHOOD

Vienna, May 21.—(By the Associated Press).—Telling the correspondent of the Associated Press that he was quoting the exact words of Nikolai Lenin, Bolshevik premier in Russia, Dr. Ladislav Rudas, a Hungarian professor, just from Moscow, says Lenin declared that he would not make peace, but would continue class warfare until the whole world was one in brotherhood.

"NEITHER PRESIDENT WILSON NOR THE

Allies can make an enduring peace or solve political and economic problems, because a world revolution is at hand. The destruction of capitalism may cost many lives, but this will be as nothing when compared with the great war."

Prof. Rudas is taking a message from

Lenine to Bela Kun, the Hungarian communist foreign minister, urging Bela Kun to hold out, as Bolshevism in Roumania soon will relieve the pressure on Hungary.
