**CLOTHIERS DISCUSS**  
**ETHICS OF UNIFORMS**

New York, Jan. 28.—Opposition to waste and extravagance in dress, but equally strong objection to "false economy," were voiced in resolutions adopted here today by the National Association of Clothiers.

Hoarding of money by the public may ruin the clothing business, it was asserted. Raising of more sheep to produce more wool was advocated.

The ethics of army uniforms also was discussed. Some of the speakers declared it was undemocratic for rich men's sons to wear expensive uniforms when other officers, just as brave and patriotic, could not afford to buy clothing of as good quality. Standardization of fabric and tailoring, with a price fixed by the

government, was urged. Samuel Wile of Rochester was elected president of the association.

**ENJOYABLE SLEIGH DRIVE.**  
A merry crowd of the employees of the T. McAvity & Son, Ltd., stores in King street enjoyed a delightful sleigh drive on Saturday night. The party set out from the King street stores at about 7.45 and drove as far as the Three Mile House, returning to the Y. M. C. A. The "cats" were then served and everybody did full justice to them. After the remnants had been cleared several toasts were proposed. The first toast was to the King and was given by the chairman, W. G. Stratton. The next was a toast to the "Boys in King's," and was proposed by Miss Eva Mitchell and responded to by P. J. Legge. The toast to the firm was then proposed by Miss Mitchell and was responded to by W. S. Clark. J. Leclaire proposed a toast to the ladies, and this was responded to by Miss A. Storm. A short programme was next given, consisting of a reading by Mr. Irvine, a duet by Miss E. Mitchell and Miss Morrison, and several selections by the Y. M. C. A. orchestra.

W. J. Thorn of New York, speaking at the Imperial Theatre yesterday afternoon, said that the present world war is that referred to by the Apocalypse and that the judgment day is near at hand.

The recipes for Corn and Potato Loaf and Boiled Haddock, mentioned above, are as follows:

**Boiled Haddock.**  
Wash and scale thoroughly, wipe the inside, and fasten the tail in the mouth with a skewer. Put 2 oz. salt into ½ gal. water, and when dissolved, put in the fish. Bring the water to a boil, remove the scum, then simmer gently (about ½ hour), until the flesh leaves the bones easily. Take it up as soon as it is sufficiently cooked or it will be hard and tasteless. Garnish with parsley, and serve with melted butter.

**Corn and Potato Loaf.**  
2 cupsful of canned corn  
1 quart of potatoes  
2 tablespoons dripping  
2 teaspoons salt  
Dash of pepper  
1 egg

1 teaspoon grated onion  
To the hot mashed potatoes add the corn, the dripping, and the seasoning. Beat the egg until light, keeping one teaspoonful to brush over the top of the loaf. Mix together very lightly. Grease well a baking dish, put in the mixture, smooth the top, and brush with egg. Place in a moderate oven and bake for thirty minutes or until nice and brown. Serve with cream sauce.

**NO REDUCTION IN PRICE OF FLOUR**

Toronto, Jan. 28.—The layman will never notice the difference between old flour and that which the food controller intends to introduce, "is the verdict of the millers. The bread and pastry made from flour will be just as nourishing, just as palatable, and, incidentally, just as expensive, for there is no probability at present of a drop in price.

It would be necessary for flour to drop \$1.75 per barrel to effect a one-cent reduction in bread. There is only a slight possibility of a reduction of about fifty cents on the barrel, and as a cent is our smallest unit this would not reduce the price of bread.

Although they know nothing definite as yet, the millers hold that the price of new flour will just about meet the rise which otherwise would have occurred. A rise in price is a natural event at this time of year to cover the carrying expense of storage, insurance, shipping, etc., of the wheat.

The regulation will affect the layman very little. It is not primarily a measure for saving, but one to standardize quality and price. In England other grains are mixed with the wheat. This will not be the case in Canada, for the flour will still be a pure wheat product.

**No Trouble to Try.**  
The smart boy stood at the garden gate and howled. A passing old lady paused beside him.

"What's the matter, little man?" she asked in a kindly voice.

"O-o-o!" wailed the youngster, "Pa and Ma won't take me to the pictures tonight!"

"But don't make such a noise!" said the dame admonishingly. "Do they ever take you when you cry like that?"

"Sometimes they do, an'-an' sometimes they don't," declared the boy. But it ain't no trouble to yell!"

**BERLIN WORRIED BY WOMEN'S DEMAND FOR THE SUFFRAGE**

Amsterdam, Jan. 6.—(By mail).—The question of woman suffrage is beginning to agitate Germany, despite the government's forcible insistence that this and kindred questions must not be made the subject of agitation until after the war.

Three formidable national organizations are now openly campaigning in Germany on behalf of woman suffrage—the women's department of the social democratic party, the German Imperial union for women's suffrage, and the German women's suffrage society. These organizations have just issued a united manifesto, which is regarded as the opening gun in a determined campaign. In this manifesto they say: "Up to the present Germany stands in the lowest rank of nations as regards women's rights. In most civilized lands women have already been given a large share in public affairs. German women have been granted nothing except within the most insignificant limits. In New Zealand, Australia and most American states, and even before the war in Finland and Norway, they had been given political rights, today England, Sweden, Russia and many other countries give them a full or limited franchise. The war has brought a full victory to the women of England, Canada, Russia and Denmark, and large concessions are being granted in France, Holland and Hungary."

"But during the war the co-operation of the women in public life has unquestionably grown from year to year until today the number of women engaged in various callings in Germany exceeds the number of men. The work they are doing includes all spheres of male activity; without them it would no longer be possible to support the economic life of the people. Women have done their full share in the work of the community. Does not this performance of duty involve the right to share in the building up and extension of the social order?"

"The women protest against this lack of political rights, in virtue both of their work for the community and of their work as human beings. They demand political equality with men. They demand the direct, equal and secret franchise for all legislative bodies, full equality in the communes and in legal representation of their interests. This first joint pronouncement on women's demands will be followed by others until the victory of our cause is won."

**RECENT DEATHS**  
Mrs. Henry Seely.  
The death of Barbara Seely, wife of Henry Seely, occurred yesterday at her late residence, 94 Durham street. Mrs. Seely was well known in the city and will be missed by a large circle of friends. She is survived by her husband, Henry Seely, by two daughters, Mrs. Charles Van Horne, of Dover

(Mass.), and Margaret, at home, and by three sons, Charles, of this city; Stanley, of Fredericton; and Harry, with the Canadian Field Artillery, and who is at present under treatment at the Canadian hospital, Westcliffe, England. The funeral will be held on Tuesday afternoon at 2.30 o'clock from her late residence, 94 Durham street.

Francis C. Kane.  
Many friends heard yesterday with expressions of general regret of the death of Francis C. Kane, son of Mr. and Mrs. C. J. Kane, 66 Waterloo street, which occurred yesterday morning. Deceased had been ill for some months and the end, although expected, was received with genuine feelings of regret and sympathy for the members of his family, which includes, besides his parents, the following brothers and sisters: Joseph, Harold E. and Alfred, and the Misses Florence, Mary and Helen.

Frank Kane was a popular boy locally, well liked by a large circle of the younger element of the city, and a young man who gave good promise. He was nineteen years of age and graduated from the High school in 1915, after which he entered upon his classic studies at St. Francis Xavier College, Antigonish (N. S.), where he was making much progress. However, his health became impaired and despite all efforts to follow his studies he was compelled to give up. He was keenly disappointed when he was prevailed upon to leave school, and up to the last displayed wonderful courage throughout his illness. He will be sorely missed not only by his family, but by his friends both here and elsewhere.

The funeral arrangements have been made for Tuesday morning at 8.45 o'clock from his late residence in Waterloo street to the Cathedral for requiem mass.

Mrs. George H. Patterson.  
Apohqui, Jan. 27.—(Special).—The death of Mrs. Patterson, wife of Lieut. George H. Patterson, occurred at Lower Millstream on Saturday evening. Mrs. Patterson has been ill for a long time and was thirty-four years of age. Before her marriage she was Miss Margaret Leslie Bryerton, of Bryerton, Northumberland county. Much sympathy is extended to the sorrowing children and to her husband, who will be soon going overseas again at the expiration of his leave. Lieutenant Patterson came home a short time ago on special leave on account of the illness of his wife.

The funeral will be held at the residence of J. A. Patterson, Lower Millstream, on Monday evening at 7.30 o'clock. Rev. H. S. Young will officiate. On Tuesday morning the remains will be taken to Bryerton on the 8.40 train for interment.

Frederick F. Travis.  
The death of Frederick F. Travis occurred on Saturday last at the Home for Incurables. He was the only son of the late Charles E. and Margaret Travis, and was fifty years of age. He leaves, besides his wife, two sons, Lieutenant J. P. Travis, of the 87th Canadian Grenadier Guards, now in France, and Gunner Clarence, at present in St. John; and two daughters, the Misses Gladys and Gertrude, at home; Mrs. J. F. Tilton, of this city, is a sister.

The funeral was a long sufferer, but of a patient genial nature he bore his sufferings heroically, being for thirteen years a patient in the Home for Incurables from where the funeral will take place this (Monday) afternoon at 2.45 o'clock. The service will be conducted by Rev. H. A. Cody.

The death of Helen Rothertha Jones, two weeks' old daughter of Mr. and Mrs. Alfred E. Jones, 153 Union street, occurred yesterday afternoon. The bereaved parents survive.

Gordon Fullerton, the unfortunate man who was badly injured by being cut by the big saw in the saw mill at Clarendon on Friday morning, died in the General Public Hospital early Saturday morning after being operated on and having his right hand amputated. He survived the operation only a short time. The body was taken to Albert county, where Mr. Fullerton lived, on the train leaving here at noon, and will be interred there.

The death of Isaac Manser of Marysville occurred on Saturday morning. He was seventy-one years old.

The death of Mrs. Patterson, wife of Lieut. H. Patterson, occurred at Lower Millstream on Saturday evening.

James Fleming of Halifax, fifty years in the Halifax pilotage, died on Saturday afternoon.

The death of Mrs. Martha Cowan, who was married to the late Mr. B. Cowan, occurred at her residence in Britain street on Friday afternoon. The funeral took place on Saturday evening, services being conducted by Rev. Mr. Wentworth. The body was taken to Kars, Kings county, for interment.

The death of James Peppers of Lower St. Mary's occurred on Friday last at his home. He was seventy-three years of age. During the recent cold spell he and his aged brother were unable to get out and, when neighbors found them,

he was in a bad way from exposure to cold and lack of nourishment.

The death of Mrs. Haynes of Portland, Maine, formerly Miss Bertha Cleveland of Waterville, occurred at her home in Portland recently.

Miss Hazel Campbell, daughter of Mr. and Mrs. Robert Campbell of Fredericton, died at her home on Saturday.

The death of Robert Ray occurred at the home of his daughter, Mrs. Henry Ginsow, Hartland, on Monday after a lengthy illness. He was eighty-six years of age.

Alfred Thornton, for eighty-seven years a resident of Hartland, later a proprietor of the Exchange Hotel, passed away at Hartland Wednesday afternoon.

**TRINITY SLEIGH DRIVE.**  
As there was no Sunday school picnic last year on account of not being able to procure any trains the children of Trinity Sunday school were given a sleigh drive on Saturday afternoon instead. About 125 of the children were present and four large sleighs were needed to carry them. They set out from the Sunday school at 2.30 o'clock and drove as far as Torriburn returning to the Sunday school at about 3 o'clock, where a hot bean supper was waiting for them. After supper games were played for a short time.

In many churches yesterday morning the tuberculosis situation was placed before the people and the danger from this disease explained to them. Rev. H. A. Cody spoke in St. James', Rev. F. H. Wentworth in Waterloo street Baptist, and His Lordship Bishop LeBlanc (and Rev. Father Moore in the Cathedral on this subject.
