## MILBURN'S LAXA-LIVER PILLS

Act as a stimulant to the sluggish liver, clean the furred tongue, sweeten the foul, obnoxious breath, and clear away all the poisonous accumulations from the system by causing the bowels to move regularly and naturally every day, thus preventing as well as curing constipation, sick headaches, biliousness, water brash, heartburn, and all diseases arising from a lazy, slow or torpid liver.

They are purely vegetable, small and easy to take, and there is nothing of the griping, weakening and sickening effects of the old-fashioned purgatives.

Mrs. John Kadey, Chipman, N. B., writes: "I have been using Milburn's Laxa-Liver Pills for some time and can recommend them to anyone suffering from heartburn and liver trouble. I tried other remedies, but they only relieved me for a short time. I always recommend Laxa-Liver Pills, see that you get the genuine 'Milburn's'. Price 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

## Proof that Some Women do Avoid Operations

**Mrs. Etta Dorion, of Ogdensburg, Wis., says:**

"I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not listen to it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound."

**How Mrs. Boyd Avoided an Operation.**

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well.

"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARIE BOYD, 1421 5th St., N. E., Canton, Ohio.

**"KEEP THE HOME FIRES BURNING."**

A young St. John officer, writing from France under date of Oct. 7, says: "It looks now as if we might be home for Christmas. 'Keep the home fires burning.'"

The only way to keep the home fires burning and to maintain the fighting spirit of the boys overseas is to subscribe to the Victory Loan to the limit.

**BOND MEETING TONIGHT.**

In King square tonight the Victory Bond meeting will be addressed by H. A. Powell and Hon. J. B. M. Baxter. There will be an additional programme of songs and moving pictures of a high character. The bugle band of the Depot Battalion has been kindly loaned for the evening by Lieut.-Colonel McAvity. The Victory Bond salesmen and saleswomen will be present to sell bonds.

**WHAT A WORKINGMAN DID.**

A janitor in one of the public buildings of the city who by dint of saving for many years had accumulated \$2,072, approached a Victory Bond salesman yesterday and said that he wanted to help the soldier boys who were doing so much, and if the purchase of a \$2,500 Victory Bond would be of any service in that direction he would be only too glad to contribute it. The offer was accepted instantly, and this humble workingman is now ranged up with his country's helpers to the extent of a \$2,500 bond, practically the entire savings of his whole life. It is surely an example of true patriotism that is worthy of emulation.

The Y. M. C. I. boys, outdoor sports arranged for this afternoon by Joseph McNamara, physical director, have been postponed until Monday afternoon. The boys will go by car to Moosepath, have sports there and hike home.

A meeting of the committee appointed by the Housewives' League to inquire into the price of bread held a conference with Dr. Kierstead yesterday. He said he hoped the bakers and grocers would act in a patriotic manner and see that high prices are to be avoided.

Competitive examinations will be held under the direction of the civil service commission on December 18, at the following places in Eastern Canada: Montreal, Sorel, Sherbrooke, Three Rivers, Quebec, Fredericton, Chatham, St. John, Moncton, Charlottetown, Summerside, Yarmouth, Halifax and Sydney.

A very pretty wedding was solemnized last evening at the home of Mr. and Mrs. Wellington Harding, Dunham, Albert street, when their daughter, Miss Greta Muriel Dunham, was united in marriage to Lieut. Harold Gerstein, Garfield, Pictou, N. S. The bride, daughter of Mr. and Mrs. George Pitt, of Fairville. The bride was given away by her father. The ceremony was performed by Rev. Dr. Hutchinson in the presence of relatives and friends. Following the ceremony, a dainty luncheon was served. Lieut. Gerstein will leave tomorrow evening for Toronto to await orders to proceed to England.

## No Luck for Him

This child won't play or smile. He is real sick. His tongue is white, breath feverish, stomach sour. He fears he is in for a dose of awful castor oil, calomel or pills. How he hates them. He would rather remain sick. No! He won't tell mother!

If his mother would only learn the value of candy "Cascarets." How children love this candy cathartic—how surely it acts on liver and bowels.

**TO MOTHERS!** Each ten cent box of Cascarets contains full directions for dose for children aged one year old and upwards. Nothing else "works" the nasty bile, sour fermentations and constipation poison from the tender little bowels so gently, yet so thoroughly. Even cross, feverish, bilious children gladly take Cascarets without being coaxed. Cascarets taste just like candy. Cascarets never gripe, never sicken, never injure, but above all, they never disappoint the worried mother.

**BOXING IN TORONTO.**

Toronto, Nov. 8.—"Fighting Dick" Leadman, of Buffalo, could not get better than a draw out of his ten round bout with Frankie Bull, of Toronto, before the Sportsman's Patriotic Association tournament here tonight. Both men were very tired at the conclusion of the final round.

Harry Coulton, of Buffalo, also fought an eight round bout to a draw with "Scottie" Lisner, a local boxer. Eddie Harling, of Toronto, earned a decision over Joe Thomas, of Buffalo, in six rounds.

## HER FIVE CHILDREN Had Whooping Cough At the Same Time.

Whooping cough is one of the most dangerous diseases of children, especially to those under five years of age. It first attacks with a fever and cough, sneezing, watering of the eyes and an irritation of the throat. Later the coughing increases, the child becomes livid in the face, the eyes appear as if they would burst from their sockets, and suffocation seems imminent till relief is brought by the "whoop."

On the first sign of whooping cough we would advise the use of Dr. Wood's Norway Pine Syrup. This famous remedy will clear the bronchial tubes of the collected mucus and phlegm, and in this way ease the racking cough and in a short time make it disappear entirely.

Mrs. Walter McGaughey, North Bedford, Sask., writes: "I have five children, the eldest thirteen and the baby two years old. They all had the whooping cough at the same time. I tried two or three cough remedies, but none gave the same satisfaction as Dr. Wood's Norway Pine Syrup. A home where there are young children should never be without it. I will highly recommend it to those who want a quick cure."

There are many imitations of Dr. Wood's Norway Pine Syrup, so be sure you get the genuine by insisting that the package is put up in a yellow wrapper; three pine trees the trade mark; price 25c. and 50c. and manufactured by The T. Milburn Co., Limited, Toronto, Ont.

**"LARGE VOLUME AT MINIMUM PROFIT" IS THE MOTTO.**

When Oak Hall particularly emphasizes their motto of "Large Volume at Minimum Profit" the people can rest assured that really worth while money-saving opportunities are being offered. Men's overcoats are in the lead this time, 240 in all, which were ordered a year ago, have recently been received, and are at once being offered the public at prices very considerably below the present day market values.

The selling on these overcoats started yesterday morning and, judging by the large number of people who have already taken advantage of this opportunity, certainly justified the adoption of the "Large volume and minimum profit" motto.

The regular selling prices of these overcoats are \$25, \$28, \$30 and for today and Monday the entire lot are being offered at the one price of \$20. Oak Hall will be open until 10 o'clock tonight, giving every man a chance to get his winter overcoat at a reduced price, just when he needs it.
