SAINT ANDREWS, M.D. WEDNESDAY. JANUARY 9, 1867.

HAD to led the Sabbath bell; once more had met Within the house of God a reverent throug, The wonted dock of Ashbura's hoppy vale, One stranger 'mongst them sat; whose features

tobl Of origin afar from England's clime. His silvery to ks, though ligh by yet had pressed The hand of end on his unbroken frame; It's oriental aspect, and the tear -Which furtive sole ad two his sullow dies's, Halou ght the pastor's eye, whose faching heart If in prompted thus the stranger to a cot : "Am I deceived, or speak 1 now toons Of ancient race, from faithful Abram spring ?" "Thou dost," -- he brief response. "If then a Jew My heart, not illy curious, would enquire, Why tose thine orisons in Christian fane ?" Briefly let us relate what Ezra then Not without tears, more amply did unfold.

In the metro pois he long hallivel By prosperous trats, to hear.' . I sere enriched, ridies for in having early won Ba The heart and hand of furest of his tribe. And found, in wedded bliss, a purer joy Than fane, feigned in love's most happy dream

Year followed year, the world still brighter smilld And stronger grew affection's tenderest ties. Alas ! for him who trusts the world's false smile, Or deathless deems the joys of creature love. Switt from Jehovah's quiver, barbed with death, An arrow sample that islot of his sonl : The dust to dust returned ; wo, wo the day ! Life's joys lay baried in that idol's grave. I is heart refused all condort; lone he sat To grief too deep for tears, su len, and dark, Lopatient even of friendship's kin lly voice. But when his lovely, tender hearted child, The sole remaining pledge of blasted joy-, t miled through her tears, -yet tremb el as-s' e

sought Her sire's dark soul to cheer, when Miri an's voice Like soft E di m's lyre's aerial tones, In dulcet accents coasolation breathe !, A conforter divinely sent she proved. Whose balmy southings told that yet one heart Could shave his griefs, an I feel them using ova. Not her's the charm of voi e and form alone. Though fair the casket, bri chter far the ore a. What doating love could plan, what wealth could

Of Lappiest mental culture she enjoyed

And heave me poor, my Miriam. I will grunt it." THE JEW. BY THE REV DAVID LANDSBOROUG'L. morn In grace and love iness she bloomed. With such a friend The city he forsnok, to seek for rest, If not re urn of joy, mid rural seenes. And rural scenes afforded some relief;

For oit reflected from his daughter's face Upon his pensive brow would play a smile Something like joy renescent in the sou!.

Alas ! how oft in this drear vale of tears Do clouds obscure the gleam of promised joy. And dark the cloud when she, his heart's de ight, And dark the cloud when she, his heart's deright Though fair as opening blo-smir, 'gan to fade; When hangnor stole on her elastic step, And beetic fittings warned the gazer's eye, Of hfe's insidious loc, whose wasting power. Reckless of youth, of beauty, mocks man's skill, And laughs remorscless at his tears of woe.

Long against hope he hoped while on his arm locambent she could walk with feeble step Around the sweet parterre on summer eve. But when with withering bre unstern winter came Like beautous flower, nipped by until its trost. At once she drooped ; then died at once his hopes ; Antistealing for a moment from her side, the sought in colitary garden walk To vent his wee.—when mournfu' a rids he beard. "She dies, she dies;" with beating, grad-pierced beart. beauteous flower,

on kneeled he by her couch. Life ebbed up ice. Soon kneeled he by her conch. Life ebbed up ice. Yet she cond welcome him with anget sunle. And grasp his hand in her's, now devilly cold; Andrichting all her strength, she still cond sor, "My father, dost thou hove me P'' "During child. Canst thou a noment doub! I love thee nore Than all the world contains." Once more she said, "Dost thou, my father, hove thy dying child pr "Light of mine eyes, break not my bleeding heart. No proof have I ever given thee of my love P''''"But dearest, dearest father, nos r thou love ne P''''''With grief o'erpowered be suake not. Straight With grief o'erpowered he spake not. Straight

"My father, well I know that thon dost love, Hast ever loved, yea, too much loved thy child ; And dearly, dearly has she stil loved thes. Wile thon to favours countless and but one, Will then to favours countless and but one, The last request of her then ford y lov'st ? O! wilt thou, wilt thou grant it ?" "Dearest
