

FOURTH WITNESS  
FOR PROSECUTION  
(continued)

- Q. 92 Where do you live?
- A. 92 Thurso, Quebec.
- Q. 93 What is your occupation?
- A. 93 I am the "Woods Superintendent" for the Singer Manufacturing Company at Duhamel.
- Q. 94 Where is that located?
- A. 94 It is about 37 miles north of Thurso.
- Q. 95 How do you get from Thurso to this place?
- A. 95 We go there by the Singer Company's own railroad, or by the highway.
- Q. 96 What kind of vehicle do you use on the company's railroad?
- A. 96 On the railroad, we use a track spreader which we generally call the "Kalamazoo".
- Q. 97 What is it like?
- A. 97 It is just a truck with a platform behind, a platform way, behind. It has a Ford engine and it is capable of conveying 30 to 40 men.
- Q. 98 Is it covered?
- A. 98 No, Sir, but there are solid sides to it. The sides are removable but they are solid.
- Q. 99 In case of inclement weather, is there no protection whatsoever?
- A. 99 In those cases, we use a tarpaulin.
- Q. 100 What do you call the place which is 37 miles from Thurso? Would you mind repeating?
- A. 100 It is called "Duhamel".
- Q. 101 What is there?
- A. 101 That's where the "wood headquarters" of the Singer Company are.
- Q. 102 Is there anything further on?
- A. 102 Down the line, there is another camp.
- Q. 103 How far from Duhamel is that?
- A. 103 About ten miles.
- Q. 104 And where is the camp?
- A. 104 There is one camp right at the railroad and another camp about a mile and a half from the railroad.
