Prospectus for 1874.—Seventh Year.

The Aldine,

AN ILLUSTRATED MONTHLY JOURNAL, UNIVER-

SALLY ADMITTED TO BE THE HANDSOMEST

PERIODICAL IN THE WORLD, A REPRESENTATIVE

OF AMERICAN TASTE.

Not for Sale in Book or News Stores.

THE ALDINE, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light and graceful literature; and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it has been bound up at the close of the year. The possessor of a complete volume cannot duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost; and then, there are the chromes besides!

ART DEPARTMENT, 1874.
The illustrations of THE ALDINE have won a world-wide reputation, and in the art centres of Europe it is an admitted fact that its wood cuts are examples of the highest perfection ever attained. The common prejudice in favor of "steel plates," is rapidly yielding to a more educated and discriminating taste which recognizes the advantages of superior artistic quality with greater facility of production. The wood-cuts of THE ALDINE possess all the delicacy and elaborate finish of the most costly steel plate, while they afford a better rendering of the artist's original.

In addition to designs by the members of the National Academy, and other noted American artists, reproducing will reproduce examples of the best foreign masters, selected with a view of the highest artistic success and greatest general interest. Thus the subscriber to THE ALDINE will, at a trifling cost, enjoy in his own home the pleasures and refining influences of true art. The quarterly tinted plates for 1874 will be by Thos. Moran and J. D. Woodward. The Christmas issue for 1874 will contain special designs appropriate to the season, by our best artists, and will surpass in attractions any of its predecessors.

PREMIUM FOR 1874.
Every subscriber to THE ALDINE for the year 1874 will receive a pair of chromos. The original pictures were painted in oil for the publishers of THE ALDINE, by Thomas Moran, whose great Colorado picture was purchased by Congress for ten thousand dollars. The subjects were chosen to represent "The East" and "The West." One is a view in the White Mountains, New Hampshire; the other gives The Cliffs of Green River, Wyoming Territory. The difference in the nature of the scenes themselves is a pleasing contrast, and affords a good display of the artists' scope and coloring. The chromos are each worked from thirty distinct plates, and are in size (12x16) and appear, since exact fac similes of the originals. The presentation of a worthy example of America's greatest landscape painter to the subscribers of THE ALDINE was a bold but peculiarly happy idea, and its successful realization is attested by the following testimonial over the signature of Mr. Moran himself.

NEWARK, N. J., Sept. 20th, 1873.
Messrs. JAMES STREET & Co.,
Gentlemen,—I am delighted with the proofs in color of your chromos. They are wonderfully successful representations by mechanical process of the original paintings. Very respectfully,
(Signed) THOS. MORAN.

TERMS.
\$5 per annum in advance, with 100 Chromos free. For 50 CENTS EXTRA, the chromos will be sent mounted, varnished and prepaid by mail.

THE ALDINE will, hereafter, be obtainable only by subscription. There will be no reduced or club rate; cash for subscription must be sent to the publishers direct, or handed to the local canvasser, without responsibility to the publishers, except in case where the certificate is given, bearing the fac-simile signature of JAMES STREET & Co.

CANVASSERS WANTED.
Any person wishing to act permanently as a local canvasser will receive full and prompt information by applying to

JAMES STREET & Co., Publishers,
55 Maiden Lane, New York.

REMOVAL.

H. O'NEIL & SONS respectfully inform their friends generally, that in consequence of their late Market having been destroyed by fire, they have removed for the present to the building adjoining the store of Messrs. Robinson & Glenn, where they will be happy to supply the wants of their numerous customers, and beg to return thanks for the patronage heretofore received, and trust by efforts to please, to merit a continuance of their custom.

Dr. J. Walker's California Vinecar Bitters

Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINECAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINECAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

If men will enjoy good health, let them use VINECAR BITTERS as a medicine, and avoid the use of alcoholic stimulants in every form.
