J. F. Lawless, general manager of the Pacific Coast Steamship Company, and B. W Greer, C. P. R. freight agent at Vancouver, came over from Seattle Friday morning and are at the Driard.

Asked on Friday regarding the proposed service between Victoria and Stattle, which the Pacific Coast Company contemplated giving Mr Lawless said that the project had by no means been re a wise and just President."

This was John Dean's message to while it was possible his company would

splendid lot, and that Mayor Beyd, Hon.
George A. Turner and L. G. Munice, secretary of the reception committee, are a trio that would be difficult to outclass.

British Columbia was represented at this city and Seattle in four hours. As for the San Francisco service he had nothing to add, beyond what has already been published.

DELAYS IN MAILS

Act to amend the Companies Act, 1902; An Act to amend the Police & Prisons Regulation Act; An Act to incorporate the Port Simpson General Hospital; An Act to amend the New Westminster Act, 1888; An Act to domend the South African War Land Grant Act, 1901; An Act to incorporate the Kootenay Central Railway Company; An Act relating to the Vancouver General Hospital; An Act to amend the Bureau of Mines Act, 1895; and Aa Act to Authorize the Corporation of the City of Victoria to Grant Exemption of Taxation and Water Rates to Aid in the Establishment and Construction of a Tourists' Hotel in the City of Victoria. The latter came very nearly being passed over after the rest of them had been announced. Mr. Helmeken noticed it in time and brought it to attention. Speaker Pooley then acquainted His Honor with the fact that supply had been granted, and presented a copy of the supply bill, to which His Honor as sented.

His Honor thereupon read the following message:

Mind the President in responding grasped Mayor Dean's hand in both of the five in the five of the line. Mr. President, was present and explained how the dean on writing and the President of format for the billing transmitter of friends on our side of the line. Mr. President, was present and explained how the dean on writing and the president of format forms and waster very nearly being passed over after the rest of them had been announced. Mr. Helmeken noticed it in time and brought it to attention.

Speaker Pooley then acquainted His Honor with the fact that supply had been granted, and presented a copy of the supply bill, to which His Honor as sented.

His Honor thereupon read the following message:

His Honor thereupon read the following message:

"Mr. Speaker and Members of the Legis address the school children massed in the Victoria Terminal Railway & Ferry one of the parks.

President Roosevelt has won at least valley, which can be reached more readi-

FLOOD AT PORTLAND.

Extract From Amending Enactment Lower Docks Are Under Water-Warning Enables Owners to Care for Property.

Portland, Ore., June 4.-The Willamette river rose this afternoon at the rate of an Dear Sir:-The executive committee wish inch an hour, and by nightfall had coverwork expires, and to the provisions for river steamers will land and embark pasexemption from taxation where work is sengers from upper docks or from impro-

vised stagings. The grain docks, in the lower part of Sec. 6 (amending old Sec. 19).—"Provid- the harbor, Mersey, Greenwich and Columed, however, that if the owner of any such bia, are higher than the steamboat docks claim shall establish, to the satisfaction further upstream, but at the rate the river of the assessor, that the sum of two hun- is now coming up they will be under water Mr. Davies was born in Sydney, Ausdred dollars has been expended upon such in another twenty-four hours. The grain

THE AVERAGE BARY

The average baby is a good baby-cheerful smiling and bright. When he is cross and fretful it is because he is unwell and he is taking the only means he has to let everybody know he does not feel right. When baby is cross, restless and sleepless don't dose him with "soothing" stuffs which always contain Baby's Own Tablets are what is needed to put the little one right. Give a cross baby an occasional Tablet and noble grand of the order.

He leaves a sister, Mrs. Sylvester, and in mining development work during the child. He will sleep at night, and the comes payable, upon any one or more of a guarantee that Baby's Own Tablets mother will get her rest, too. You have contain not one particle of opiate or rate of two hundred dollars per claim, to harmful drug. In all the minor ailments detailed statement showing the nature of Ont., says: "My little boy was very cross and fretful and we got no rest with him until we began using Baby's Own Tablets. Since then baby rests well

You can get the Tablets from any druggist, or they will be sent by mail at 25 cents a box by writing direct to the Dr. Williams' Medicine Co., Brockville, Ont.
