Exhibition Has Cost Less Than in 1904

---Report of Executive Highly Satisfactory

The report detailed the work done on been \$29,518.49, and for this year, as completely as it was possible to esti-

The president explained the report fully and stated that the city of St. fully and stated that the city of St. John in addition to the usual grant had treated the exhibition very genericously, having re-roofed and painted the industrial buildings and put a new asphalt floor in machinery hall. The provincial government had given the usual grant of \$5,000. The president further explained that the new departments this year were the women's department, the manual training department, motor boat show, dog show, Marment, motor boat show, dog show, Marconi wireless station, Bostonia ladies' band concerts, the Pike, and the extensive decoration and electric lighting features at the entrance and on the grounds. The machinery hall exhibits would compare favorably with those of

Hon. L. P. Farris raised the question as to the ownership of the industrial buildings, the insurance for which is paid jointly by the provincial and city governments, and Ald. Bullock undertook to have the common clerk ascertain the ownership of these buildings. Ald. Bullock expressed himself as agreeably surprised to learn that the expenditures this year would be a little less than in 1904, as the popular opinion was that the management this year had been rather extravagant, and it was commonly expected that the it was commonly expected that the city would be called upon for its guarantee of \$2,000. He was delighted to find that there was no foundation for this im-

The president explained that this impression will probably get abroad on account of the extensive advertising, and the very expensive arrangement features, but the expenditures had been carefully guarded. The amusement features were costing more than in former years, and the cost of erecting the "Pike" alone would be in the vic-inity of five hundred dollars, but the inity of five hundred dollars, but the objectionable element had been eliminated from the buildings and the grounds without any genuine loss to the exhibition. He further explained that all the contracts for the simple amusements on the "Pike" provided that each the local feeting was subject to his.

Sid, strs Bohemian, for Boston; Majestic, for New York; Noordland, for Philadelphia.

LONDON, Aug. 22—Ard, str Almeriana, from St John and Hallfax. individual feature was subject to his approval, and that if he decided on inspection that any of them were un-desirable they would be promptly closed up. After these explanations, the report was unanimously approved, the directors present expressing them-selves as satisfied that nothing remain-

ed but good weather to make the exhibition of 1906, a success from In answer to Mr. Jarvis the president and that the details for the opening ceremonies had not been quite completed as the executive were determined Hugh John, for Charlottetown, PEI;

Lieut.-Governor Snowball has consented to open the exhibition, and addresses will be delivered by Premier Tweedie and Hon. H. R. Emmerson.

It is expected to have the industrial exhibits open for inspection on Satural Processing States of the Cold, strs Cymric, for Livery and Cold, strange to rent for the summer, barn and out buildings, splendid view of the city and bay. Enquire of JAMES or GEORGE W. KNOX, Silver Falls. exhibits open for inspection on Saturday evening. September 1st, and the "Pike" will also be in full blast.

Queenstown; Texas, for New Orleans; schs Oriole, for St John; Union, for River Hebert. The directors expressed themselves as opposed to the idea of any organization holding a regatta on the Kennebeccasis on Labor Day, as that day was set apart as St. John day and they

their customary draught.

This means that vessels are not loaded down to their marks, and loss of business is the result. The depth of 2 inches, the depth on the corresponding day last year being 28 feet 5 inches, a difference of fifteen inches. There is a possibility that the water
